Warning Issued On Halloween Violence

Daly City police will see to it that history doesn't repeat itself and another Halloween riot break out in Daly City such as happened here last October 31 when some 800 teenagers held police and firemen at bay at Pip's drive-in at Alemany and Lake Merced boulevard.

Goblins and witches might be out in force this Halloween, but so also will the police department.

Days off have been cancelled for the second platoon and the department has been "beefed up" for this special detail.

"Prospective vandals had best look twice at the person riding a broomstick on that night, as the operator of that vehicle might very well be an undercover officer," Police Chief Roland Petrocchi said.

Reserves and regular police, uniformed and plainclothesmen, policemen of many sizes and shapes — will be on duty on Halloween, along with the revelers.

"Notice is hereby served that hooliganism and wanton vandalism will not be tolerated in any form," Chief Petrocchi added.

"They will be scooped up by the patrol and will be immobilized at the police station until such time as the festivities are concluded for the night.

"Rioting, mob action of any kind, or the disruption of traffic will be dealt with summarily and severely," the chief warned.

The following warnings were issued by the police department.

Any adult or juvenile who interferes with the orderly and traditional foot traffic or costumed trick and treat children will be arrested.

Hot-rodding juveniles speeding through streets crowded with costumed youngsters who will be going from door to door will be vigorously prosecuted.

Persons who throw objects or spray ingredients of any type from moving vehicles will be acted upon. Citizens are asked to record the license numbers of all vehicles involved in actions of this type and to call the police.

Mob scenes in drive-in restaurants and in shopping centers will be short lived. The police will not permit such fiascos.

In the past, on Halloween, older juveniles have on occasion strong-armed younger children to the effect of removing from them their trick or treat candies. Such thieves are perpetrating robbery. When caught this year, they will be arrested and sent to the Hillcrest Juvenile Home.

The police ask parents of older juveniles to know where they are going on that night, and to require them to be home at a given time.

Dances and parties hosted by the schools and the recreation department will be vigorously policed.

Merchants can help by restricting sale of stock which can be utilized maliciously. All good citizens are solicited to assist in restricting activities which might appeal to the thoughtless, undisciplined, hooligan element.

Federal Grant For New Outfall Line

Something which will save Daly City residents money and at the same time get rid of grease balls which wash up on Thornton Beach has been announced by Congressman J. Arthur Younger.

Younger announced that the Department of Health, Education and Welfare had approved a grant of $136,500 for construction of an extension of the ocean outfall line for the North County Sanitary District which serves Daly City, Westborough, Broadmoor and all the unincorporated areas in between.

The federal money means the district will not have to levy an additional tax on the area, supervisor James Fitzgerald said.

The current outfall line is close to the beach. Unfortunately, soap detergents which contain harmful bacteria have recently been found washed up on the beach.

This harmful sludge would be removed by extension of the outfall line some 2,500 feet farther into the ocean, supervisor Fitzgerald said.

The outfall line is located in the North Thornton Beach area. Sludge, which has been already treated in a sewage digester in Westlake, is discharged into the ocean under pressure.

Last year a cease and desist order to stop pollution on the beach was issued by the State Water Pollution Board. The county took immediate steps to alleviate the condition. The Olympic Club, which formerly sent untreated sewage into the ocean, was asked to enter a sewage treatment agreement, Fitzgerald said.

New Produce Market Will Open In SSF November 26

The new $4,500,000 Golden Gate Produce Terminal is scheduled to open in South San Francisco on November 26. Those produce dealers who belong to the terminal organization and are now located in San Francisco's old produce market near the Embarcadero will move their operations to the new terminal the weekend following Thanksgiving.

Their move will make way for San Francisco's Golden Gateway redevelopment project.

Designed to accommodate long-haul transports, the terminal is expected to greatly increase the volume of West Coast wholesale produce business. The new terminal also features excellent rail facilities.

Organized as Golden Gate Produce Terminal, Inc., the group includes Berti Fruit and Produce Company, Best Fruit and Produce Company, Brice Brothers, Inc., Elite Produce Company,, Half Moon Fruit and Produce Company, Lee Ray-Tarantino Produce Company, A. Levy and J. Zentner Company, Walter Papazian Company, Passantino Products Company, Pipia Produce Company, Scatena, Galli Fruit Company, and Sunset Produce Company.

Good Accommodations

Alan T. Rains, executive vice president of the United Fresh Fruit and Vegetable Association, has described the new terminal as one of the finest and most complete of its type in the United States. Modern and complete truck dock facilities have been built into the new terminal, enabling it to accommodate the big inter-state "combos."

The old produce market in San Francisco did not attract the long-distance carriers because of severe overcrowding and a total lack of accommodations for the big rigs.

Hallowe'en Costume Contest In Westlake

The Westlake Improvement Association will hold its annual Halloween costume contest on October 31 at 8 p.m.

Site for the event is the Westlake Mall and all children up to the age of 12 years are invited to participate.

Prizes, candy and ice cream will be distributed to all participants and there will be major prizes in each age category.

Judges of the contest will be city councilman Edward J. Dennis, councilman Robert St. Clair and Mrs. Helen Cordell, art-coordinator of the Jefferson Elementary School District.

Chairman of the refreshment committee will be Mrs. Hartley R. Appleton.

To avoid confusion, children should arrive at 7:30 p. m. and immediately form around the age markers which will be easily visible.

Jeff Board Votes To Repair Storm Damage At Terra Nova

The Jefferson Union High School Board, after hearing a report on school storm damage, passed a resolution Monday night asking the superintendent of the San Mateo County Schools to extend emergency rapair monies to the district for damage suffered during the recent storm.

All four high schools, Jefferson, Westmoor, Oceana and Terra Nova, suffered some damage, with the latter school being the hardest hit.

The board heard a report from district business manager Fred Goodell that the damage incurred by Terra Nova High School during the recent storm is expected to reach $10,000.

An estimated 12 to 20 inches of rain fell within a four-day period, causing extensive erosion and earth slippage at the two-year-old Pacifica school. Several of the catch basins were clogged with mud and debris, causing water to back up into dressing room areas. Mud also flowed onto the track and adjoining play areas, making them unusable.

Goodell reported that repairs to the banks, removal of flood material, opening of ditches and other work necessary to make the grounds usable and safe from further storm damage must be done as soon as possible.

The next regular scheduled meeting of the Jefferson Union High School Board of Trustees will be held Tuesday, November 13, at 7:30 p. m., instead of Monday night, which is a recognized holiday.

The board also heard an optimistic report from Louis Martin, Summer School principal, on the 1962 Summer School program. Martin reported that the school had an expenditure of $34,608.48 and an income of $40,017.10, giving a total profit of $5,408.53.

Superintendent Edward Morgan noted that this is the first time in the history of the Summer School program that the income had exceeded the expenditures, making it a self-sustaining program.

Chamber Honors Dr. L. A. Drees

Dr. L. A. Drees, owner-operator of the Junipero Serra Hospital, was honored October 18 by the Chamber of Commerce for providing more than 20 years service to the community.

Praising his outstanding work in emergency hospital treatment were the mayor, police chief, fire chief, city councilmen and chamber members.

Dr. Drees, a 1927 graduate of the University of California Medical School, established in Daly City in 1936. He served as a Navy surgeon from 1941 to 1945.

Chamber President Frank Curry presented Dr. Drees with a plaque in appreciation of his service.

Police Chief Petrocchi said that before 1936 injured accident victims were often turned away by doctors. But since that time, Dr. Drees and his staff have treated at least 95 per cent of local accident victims. He thanked the doctor for his dedication to his work.

Fire Chief Elmer Kennedy said Daly City previously had a makeshift ambulance service, which had trouble providing treatment for injured persons until the doctor's hospital was established.

Broadmoor Police Chief Ray Savage stated his department, operated its own ambulance service and "thank God for a man like Dr. Drees."

George Kirchhubel commended the Chamber of Commerce for making "Dr. Drees Day" possible. He presented the doctor with a gift.

Colma Police Chief Dino Lagomarsino thanked Dr. Drees for "the many lives he has saved in the community."

Mayor Joseph Verducci sent a note of thanks. The doctor and Mrs. Drees, who received a large share of appreciation for her work in assisting her husband, received an introduction from Chamber of Commerce Manager Pete Markovich.

Markovich related that articles on Dr. Drees have been published in national magazines and a book "The Wounded Do Get Back" mentions the doctor's name several times.

While serving with the Navy in New Zealand, Dr. Drees, known affectionally to the enlisted men as "Pop," was forced to salvage parts from a downed Japanese plane to make hospital instruments.

He is the father of a son and daughter and resides with his wife at 1690 Briggs, Colma.

Youth Arrested On Dope Charge

Leland Belfils, Jr., 18, 159 Werner street, Daly City, was arrested at 3:15 p. m., October 17, in front of Jefferson High School by officer Tom Donohue on a charge of being under the influence and possession of narcotics.

Police said Donohue spotted Leland loitering in front of the school. When questioned, Le-

Your Key To Survival

A SUMMARY OF INFORMATION IN THE EVENT OF A MAN-MADE DISASTER

Prepared by the Department of Civil Defense, Daly City
Telephone: PLaza 5-0850

Changing concepts in the role that Civil Defense is to play in the event of man-made or natural disasters has made it advisable that every citizen of Daly City be acquainted with information on Warning Systems, Conelrad, Preparedness, and Shelters. Because of this, listed below is certain information that you should know dealing with each of these subjects:

WARNING SIGNALS

There are two signals to be used in the event of an enemy attack: 30 LONG BLASTS on the air-horns indicate that an attack will come within a few hours. The air-horns are located on the City Hall and various Fire Stations throughout Daly City. IF time permits, and YOU have made plans to stay with friends or relatives outside of San Mateo County, evacuate the city immediately. 30 QUICK BLASTS on the air-horn indicate that an attack is imminent at any moment. You should seek shelter immediately.

WHERE DO YOU GET INFORMATION AS TO WHAT TO DO AND WHERE TO GO?

Under no circumstance should you try to use the telephone to call friends, relatives, police department, or the fire department. "Conelrad" will give you further instructions. What is "Conelrad"? It is a name given a special radio station which

New Officers For Chamber

The Daly City-Colma Chamber of Commerce board of directors met Tuesday and elected new officers for the coming year. Installation ceremonies will be held next month.

The slate of officers is as follows:

Bernard Lycett, president; Herb Sharpe, first vice president; David Friedenberg, second vice president; William Sweeney, Jr., treasurer; Joseph Rohl,

Eight Arrests In Teen Beating

Eight teenagers involved in the savage beating last month of Westmoor High School sophomores Donald Wilson, 15, of 169 Mirada drive and Roger Kucich, 193 Del Prado drive, have been arrested by Daly City police and cited to Hillcrest juvenile home.

The arrests followed an investigation by officer Tom Donohue, who was assisted by detective Phil LaBruzzo.

Checks of various schools to find the guilty parties had been made with no results. Then officers spotted the car bearing the description of the one which transported the teenagers who did the beating.

Two Daly City brothers, 15 and 16, both from Oceana High School, were named as the ones who did the actual beating. Six other youths reportedly sat in

Pacifica Asks $220,000 For Storm Damage

Last Wednesday, the city council of Pacifica officially passed a resolution declaring Pacifica a disaster area.

The resolution must be processed through the regional headquarters of the state's disaster office, be approved by Governor Brown and then go to President Kennedy before the federal aid funds will actually be available for the city.

Pacifica is asking for $220,000 in disaster aid funds.

A delegation of some 25 to 30 Linda Mar residents whose homes were flooded in the recent record storm appeared before Pacifica city councilmen asking for reimbursement for damages to their homes.

No actual claims, however, had been filed at the city hall by Monday of this week. No action can be taken on residents' demands until damage claims are officially presented to the city.

Howard Hoops, administrator for the Coastside Region of the Red Cross, said that claims for assistance in the Pacifica area have been surprisingly small.

Social welfare aides and home service personnal for the San Mateo region have been assisting residents who have suffered damage. Advance figures have reached more than $10,000 primarily for mud removal, furniture and clothing replacement, and floor refinishing.

Assistance to victims of the Pacifica flood is given as an outright grant from Red Cross to those people who do not have recourse to any other agencies.

These funds are a major part of the Red Cross share in United Bay Area Crusade monies.

Caught Unawares

Pacifica City Engineer Alfred Roberts claimed that Pacifica, like man other Pacifica coast communities, was caught unawares by the storm.

He said the city operates a year-around cleanup program of drainage channels. And he added the city schedules a major program to clear all creeks in the city just before storms are expected each year, but this year had just begun the program not expecting record rains at such an early date.

Jaycees Enjoy Gala Charter Night Banquet

Jaycees from local chapters throughout the state of California were in attendance at the gala banquet held in the Italian room of the St. Francis Hotel in San Francisco. The occasion marked the chartering, October 20, of the newly formed Daly City-Colma Junior Chamber of Commerce.

The official charters were presented by state Jaycee President Ernie Lewis, state Vice President Howard Looney of San Mateo, and George Reppas,

New Ownership For Marchbanks Publications

James N. Harrah, associated with Fred C. Weybret and Ray Anderson of Lodi of the Day-Lake Publishing Co., Inc., will become publisher of Marchbanks Publications, Inc., on November 1.

Mr. Harrah was born Dec. 8, 1920, in Walla Walla, Wash. He is a graduate of Payette, Idaho, High School and was graduated from College of Idaho, Caldwell, Idaho, in 1943.

During World War II, Harrah was a B-25 pilot in the South Pacific, Philipines and New Guinea.

He started as a "printer's devil" in Payette, Idaho. He worked his way through high school and worked as a reporter to go to college.

Harrah entered advertising in 1945 on the Caldwell, Idaho, News-Tribune, and has been advertising manager on several newspapers, including the Lodi News-Sentinel and Contra Costa Times.

During the past year and one-half, Harrah has been employed by Gibson Publications as manager of the Global Rangers, and more recently publisher of the Benecia Herald.

In 1949, Harrah married Elizabeth Purkiser and is now the father of three children, Nick, 10; Greg, 7, and Mauri, 5. He is presently residing with his wife and family in Pleasant Hill.

A member of the Episcopal Church, Harrah also is affiliated with the Benecia Kiwanis and is a former Lions Club member.

YOUR KEY TO SURVIVAL

(Continued from Page 1)

authorities will use to broadcast instructions and news for your safety. Conelrad can be found on your radio by turning to 640 or 1240. Both stations will give the same information and give it continuously.

WHAT DO YOU DO AS THE ATTACK TAKES PLACE?

The first sign of a nuclear attack would be a flash of incredibly brilliant light, followed within seconds by a shock wave from the explosion. You must react quickly. The best possible protection would be a home fallout shelter with the top at least three feet underground or located in a sheltered area within your basement. If you do not have time to reach your shelter or if no shelter is available, dive under the nearest heavy table or desk or other good solid cover you can find that will protect you against flying glass and objects hurled by the shock wave. The heavier the cover, the better are your chances of survival. Stay away from windows and glass doors. If no cover is available, lie flat on the floor, face down, alongside of a wall. If you are out-of-doors, lie flat on the ground—cover your head and neck with your arms. Take cover after the shock wave is past. Fallout will not become a critical factor until about 30 minutes after the blast.. If in an automobile, park at the nearest curb, close your windows, turn off your ignition, and crouch face down on the floor of the car. Protect your head and neck with your arms. DON'T BLOCK STREET INTERSECTIONS WHEN YOU PARK.

WHAT TO DO AFTER AN ATTACK

DON'T leave your shelter—you might expose yourself to radioactive material. Be prepared to stay in your shelter for a period up to two weeks. If you do not have a shelter, nail blankets or other heavy materials over broken doors or windows. If you are caught in the open after an explosion, change all your clothes and wash thoroughly. These precautions will help against radioactive fallout.

SUPPLIES

Residents may want to provide themselves with a home-made survival kit, which at the minimum should consist of dried or canned foods, water and first aid items sufficient to sustain themselves for two weeks. For further information, call Department of Civil Defense, Daly City, PLaza 5-0850.

THE ALL-CLEAR SIGNAL

Listen to your radio on 640 or 1240. Before an all-clear is given, tests will be made to determine if the area is safe from radioactivity. Stay inside until the Conelrad stations say it is safe to go outside.

EVACUATION IS NOT REQUIRED

Leading authorities in Civil Defense now recommend that home shelter programs represent the single most effective means of survival in the event of a nuclear attack. The speed at which nuclear missiles travel probably will eliminate the possibility of a warning being sounded that would allow sufficient time to evacuate a city. In addition, the area which would have to be evacuated is so much greater now that the distance you would have to travel to be safe becomes prohibitive. If you do decide to evacuate, you must make your preparations in advance to stay with friends or relatives in an area outside of San Mateo.

Produce Market

(Continued from Page 1)

new terminal to attract considerable new business from neighboring western states.

Besides Carcione, other officers of the terminal are Russell Rustici, Sunset Produce Company, vice president; Richard Meyerhoff, A. Levy and J. P. Zentner Company, secretary, and Joseph Tarantino, Lee Ray-Tarantino Produce Company, treasurer. These officers also serve on the seven-man terminal board of directors.

The other directors are Sam Carcione of Scatena Galli Fruit Company; Hector J. Guntini of Half Moon Fruit and Produce Company, and Phil Pipia of Pipia Produce Company.

The new terminal is located on a 16-acre site just west of Bayshore Freeway, one mile north of International Airport. The buildings cover five acres and contains 70 individual stalls. The terminal is a virtual business community in itself. A dozen or more businesses serving the produce industry have signed leases with Golden Gate Produce Terminal. These include a bank, restaurant, refriegration firm, barber shop, truck and auto service facilities and administrative offices.

The terminal is expected to do a $75,000,000 gross annual business. Nearly 1,000 men and women will be employed in the various operations.

Market Site

The move to South San Francisco climaxed several years of study and negotiations, during which several sites were considered. The city of San Francisco had hoped to retain the produce industry, but the several proposed San Francisco sites proved less attractive and less feasible than the South San Francisco deal.

Associated Fruit and Produce Dealers of San Francisco, whose members include the major houses, was instrumental in conducting economic studies and in the final selection of the South San Francisco market site.

Finding themselves faced with the necessity of moving from their old produce market area, where the industry had been located for the past half-century, the dealers, who handle 75 per cent of the produce business in the Bay Area formed Golden Gate Produce Terminal, Inc., to manage their relocation. They soon decided on a South San Francisco site, just west of Bayshore Freeway, within a few minutes of downtown San Francisco and one mile from International Airport.

Demolition of Old Buildings

The old produce market area had been purchased by the San Francisco Redevelopment Agency and demolition of the old buildings is already underway.

Many people said the new terminal couldn't be built in less than a year, but the produce men facing eviction from their old San Francisco market were determined, not only to build their new terminal to meet the eviction deadline, but to establish one of the finest wholesale produce markets in the west. The main portion of the terminal was completed in just 120 working days.

Most of the big metropolitan produce terminals are owned and operated by public agencies. The new terminal is owned by the produce dealers themselves.

The tough "crash" building program was assigned to contractor Bill Harr of the Harvis Construction Company of South San Francisco. Louis Poletti of South San Francisco's Poletti Realty Company and Primo Repetto Real Estate Company handled the $640,000 sale of the land on which the terminal is located.

There are an additional nine acres available for growth and expansion. Accommodations may also be made for those San Francisco dealers who have not yet made a decision as to a future location for their businesses.

Work is proceeding on the bank, office building and cold storage plant and completion of these facilities is expected within 60 days.

Formal dedication of the terminal will be held early next year.

GETTING READY for the U.C. Doctors' Wives' Association Masked Ball with a "change of face" are (from left) Mesdames A. The attack occurred on a lawn near Southgate and Lakeshire avenues. Wilson was knocked unconscious and received a concussion. Kuchich managed to escape and ran home after receiving a few blows. He was treated for possible fractured ribs.

Unification Board To Meet At Westmoor Tues.

The augmented committee on School District Organization will meet next Tuesday night at 8 p. m. in the Westmoor Library. The meeting is open to the public, but there will be no public participation at this time.

The committee, made up of the 11 county members and augmented by the trustees of the five districts in the North County, will discuss the unification of the district in compliance with the State Legislature mandate of 1959, calling for the unification of California school districts.

Armed Robbery At Mayfair Mkt.

The Mayfair Market at 2350 Junipero Serra boulevard was robbed of about $620 early last Saturday morning by two armed men.

The men, one about 34 years old with pock marks on both sides of his face, and the other, about 23, carrying a sawed-off shotgun, ordered clerk Joseph L. Doupe, 34, of 64 Meadowbrook avenue, to take money from a counter and put it in a bag.

Leroy J. Amante, 21, of 64 Meadowbrook avenue, was returning to the check-out counter when one of the robbers ordered him to take money out of another cash register and put it in a bag.

Amante was also ordered to tell janitor John E. Mitchell and clerk Larry Dianchini to go to the rear of the check-out counters and lie face down on the floor. The robbers made off in a late model car.

A second burglary occurred Saturday noon near the same location when about $70 worth of goods, including hunting knives, air pistols and a radio was reported stolen from the Central Hardware, 2398 Junipero Serra.

KO Polio Stations Ready To Issue Type II Polio Vaccine

Polio can be likened to any wild, vicious killer. Often, after it has gone berserk and inflicted an epidemic on an area's people, it will "sleep" for awhile —but only to gain strength for another surprise onslaught.

That thought is uppermost in the minds of doctors of the Bay Area K. O. POLIO program during their current meetings to map strategy for the November 4 preventive war against the great crippler.

They have a new target in mind: Type II polio virus.

Type I polio, the most prevalent of three polio strains, has been effectively checked in the Bay Area, thanks to the tremendous success of the first K. O. POLIO Sunday here. September 23, when over 2,700,000 persons took Sabin Type I oral polio vaccine drops.

But Type II, less prevalent but equally cruel when it strikes, remains a potential threat, the private physicians sponsoring the K. O. POLIO drive agree. It is merely dormant — not dead.

Dr. Edward B. Shaw, San Francisco physician leading the campaign, summed up leading virologists' knowledge this way:

"There has been little Type II polio in the Bay Area in recent years — none in the past two years. But that doesn't mean it can't strike here at any time with sudden, frightening fury.

"Type II polio is like any viral disease. It can flare up at any time, especially when it has been relatively inactive. Remember, our natural defenses against it are down, too."

"So, I urge everyone to take Type II Sabin vaccine drops on Sunday, November 4," Dr. Shaw declared. He pointed out that Type II Sabin vaccine has been approved by the U. S. Department of Health, the California State Health Department and County Health Officers.

Among doctors stressing the vital need for succes on November 4 were Dr. Harold K. Faber, Stanford professor emeritus of pediatrics; Dr. Karl F. Meyer, 78-year-old world-famous "microbe hunter" who developed the cure for the hideous "black death" of the middle ages, bubonic plague; and Dr. Wendell M. Stanley, a Nobel prize-winning virologist.

All agreed that the older Salk polio shots have helped, but, Dr. Faber, who has worked for a solution to the polio threat for over 50 years, said:

"Sabin vaccine is the real weapon against polio."

"I've seen all the polio I ever want to see," he added, then warned, "but pools of infection remain."

Dr. Meyer, who pioneered research in California as long ago as 1951 with a type of oral polio vaccine later perfected by Dr. Albert Sabin, said: "I can't express too strongly my belief in the need for wide-spread use of Sabin vaccine. It's the sort all of us have believed in and hoped for for years."

And Dr. Stanley repeated a warning he has given many times:

"Polio can strike anyone, of any age and at any time. Everyone of us needs all the protection he can get against it."

Protection against Type II polio will be available to 3,500,000 Bay Area men, women and children Sunday, November 4. The same 360 K. O. POLIO stations that were open September 23 will be open again, from 11 a.m. to 7 p.m.

The private physicians volunteering their time to the campaign are members of the San Francisco Medical Society, the Alameda-Contra Costa Medical Association, the San Mateo Conuty Medical Society, the Marin Medical Society and the Santa Clara County Medical Society.

Glen Park Dancers' Halloween Party

The Glen Park Folk Dancers, sponsored by the San Francisco recreation and park department, will hold their annual Halloween party October 30 at Glen Park playground, Elk and Chenery streets, from 7:30 to 11 p. m.

Tom Wall will be the guest caller, and prizes will be given for the most original costumes.

Halloween Party For Brownie Troop 716

Girls of Brownie Troop 716 are planning a Halloween party for October 27 at the home of Mrs. Ayers, 217 Palisades, Daly City. Mrs. Synkowich will help the girls with the decorations.

The girls will be in costumes and there will be refreshments, games and prizes for everyone.

Lincoln Park Clubhouse To Be Dedicated Saturday

The Department of Recreation wishes to invite the general public to attend the dedication ceremonies of the Lincoln Park Clubhouse on Saturday, October 27. The ceremonies will be held at Lincoln Park, Acton and Brunswick streets, commencing at 11 a. m.

Guest speaker will be Dr. Ted Kohler, chairman of recreation education at San Francisco State College. Mayor Joseph Verducci will extend a welcome to all and remarks will be made by the parks and recreation commission. The Daly City Belletones, under the direction of Mrs. Patti Stolz, will provide musical arrangements.

The $30,000 recreation building will be opened for inspection to the general public. The building has been well designed and features two large meeting rooms, a kitchen and a director's office.

Following the dedication ceremonies, this Saturday, the building will be put into use as a meeting place for various types of recreation activities which will include a junior high school club and a neighborhood teen club.

The recreation department is currently sponsoring Holiday Candle Making classes and an adult choral group, the Daly City Belletones in the Lincoln Park clubhouse.

Pacifica Rec. Dept. Sponsors Halloween Drawing Contest

Plans are underway for the third annual Halloween drawing contest and parade, which will be held for Pacifica youngsters during the time when the witches ride.

The drawing contest is sponsored by the park, beach and recreation department and is open to all artists in the elementary schools. Each school will be judged individually, so there will be winners in every school and in every grade.

Application blanks will be distributed through the schools this week and will include the rules and regulations for entering the contest. For youngsters not receiving the blanks, the following rules must be followed in order to be included in the judging for first, second and third place ribbons:

1—Pictures must be on 9x12" or 12x18" size paper.

2—Pictures may be designed with crayon, paint, cut paper, chalk or any other media.

3—A form must be attached at the bottom of the page to include artist's name, age and grade, address, phone, school and teacher.

4—A box will be placed in each school for the pictures and entries must be placed in the box by 4 p. m., Wednesday, October 25.

5—Pictures will be accepted at the schools only.

Following the contest, pictures will be displayed as follows:

All pictures from Sanchez, Linda Mar and Pedro Valley schools will be in the Linda Mar shopping center.

Only the prize winners at Sharp Park School and Vallemar School will be in Eureka Square, and Pacific Manor shopping center will display the winners of Westview and Pacific Manor schools.

Following the contest and display, all pictures will be returned to the schools and distributed to the artists.

For any information regarding the contest, call Janette Howell, recreation supervisor, at FL 5-4151.

Big GOP Rally Held In SSF

Sponsored by the North San Mateo County Assemblies, an enthusiastic group of 100 Republicans held a rally and dinner at the New Southern Restaurant in South San Fransico last Wednesday evening.

Decorating the walls were posters of all Republican candidates. Prominent among these was a poster of Andrew C. Byrd, former mayor of Burlingame and now Republican candidate for the State Assembly from the 27th district.

Byrd recived a rousing ovation from his audience after his short speech in which he stressed the educational needs of this area and how to hold our present capable teachers.

Principal speaker of the evening, William Spencer, assistant campaign manager for Richard M. Nixon, was introduced by Bergen Van Brunt, master of ceremonies.

Spencer emphasized how all Republican candidates were qualified men of experience and integrity deserving the wholehearted support of all honest thinking people.

Hosts for the evening were Robert Hunter, Clay Barham, Raoul A. Vincilione and Walter Scott.

Clearer Air Week

No one in his right mind would think of dumping his trash in the middle of his living room. Yet this is exactly what millions of us are doing when we pollute the air in the course of normal daily activities, such as dirinving to the store, burning leaves, getting rid of industrial wastes up a chimney, or even using the water heater for bath water.

Now we are not advocating that people stop driving their cars or taking baths, but we only want to point out the many varied sources of air pollution on the occasion of National Cleaner Air Week, October 21-27.

Through an intelligent, rather than an emotional understanding of the problem, we can work together toward a solution of this blight.

The first thing that must be done is to control stationary sources of air pollution (factories, refineries, dumps, etc.).

California took a giant step in this direction 15 years ago when the State Legislature authorized local air pollution control districts to be established. Thus far, seven districts have been organized in the more populous centers of the state, with the Los Angeles Air Pollution Control District the oldest and most well-known, of course. Los Angeles taxpayers have paid out 25 million dollars in the past 15 years to fight smog through their district.

The second step in the efforts to reduce California's air pollution came in 1960 with the establishment of the State Motor Vehicle Pollution Control Board, authorized to control moving sources of air pollution.

Experts now recognize that the motor vehicle is the major, remaining uncontrolled source of air pollution. And in a state with eight million automobiles, buses and trucks, this adds up to quite a source.

California's vehicle emission control program started from scratch. Nothing like it had ever been tried anywhere. It is a tribute to the foresight of Californians that they took the lead in this field and are now pointing the way for other communities similarly affected all over the globe.

To date, the State Motor Vehicle Pollution Control Board has approved 12 crankcase control devices and started testing of six exhaust devices. The board believes that installation of both devices will eliminate about 80 per cent of the contaminants attributed to motor vehicles. And when the majority of vehicles in California are so equipped, under a three-year installation schedule, we may again enjoy the quality of air we had in 1940.

Cleaner Air Week has a special significance for all of us. Each person breathes at least 15,000 pounds of air daily. We know that much of it, especially in the state's urban centers, is "dirty" air. It can't be cleaned up fast enough to suit us.

The West's Weakness

". . . both trade unions and employers have become technically irresponsible. Wage demands are continually made and continually met with little regard to the interests of the people as a whole or the well-being of the economy. Prices rise steadily."

That observation could have appeared in any one of thousands of newspapers in this country. But it didn't. It comes from far away — from a lead editorial in the London Times. And it serves to illustrate a problem which is common to almost the entire West, and which weakens its position in a divided and chaotic world.

In our own country, prices and costs continue to inch up. The increases in a brief given period are small — a fraction of one per cent. But over months and years they further erode the worth of the dollar — and, most important in the long view, weaken the dollar's standing in bitterly competitive world markets.

When labor demands wage increases greater than gains in productivity justify, it is, in effect, demanding more inflation. When employers are forced to agree to such increases, they are doing precisely the same thing. And the worst offenders of all are spendthrift politicians who take a drunken sailor's view of deficits.

Something For Everyone

by
Samuel Chandler

Perhaps you'd like to know what is thought to be the most popular subject taught in elementary and junior high schools. As the result of a recent study by Children's Press of Chicago, some educators have concluded that physical science is preferred to other disciplines. The study found that astronautics was preferred to any other science; that physics of the earth is almost as popular and technology comes a close third with electronics, engineering and anything to do with machines in the top-level of interest.

Nature studies—they use to be top level—trailed far behind. The results of this report are not surprising. For many years public libraries have been deluged with requests for the latest developments in space science and in physical science.

To help satisfy the requests in Daly City, the Public Library makes available four popular magazines of science. These are "Scientific American," "Science Digest," "Science News Letter," and "Popular Science Monthly."

"Scientific American" has been published since 1845. It contains articles written by specialists who desire to help the general reader understand the latest developments in the varied fields of science. It features illustrations, book reviews, and short biblographies.

"Science News Letter" contains short reports of the progress of science, medicine and technology. The articles are clearly written and avoid misleading simplification. "Science Digest" is a sort of "Readers Diagest" of Science. The articles therein are concise and factual.

"Popular Science Monthly" has been published since 1872. The articles are brief and current. The sections on handicraft and recent inventions are especially interesting.

Other periodicals dealing with technoligy include: "Hod Rod," "Motor Magazine," "High Fidelity," "American Modeler," "Popular Mechanics," and "Popular Electronics."

Copies of each of these can be found in the branches of the Daly City Public Library, 6351 Mission and 275 Southgate Avenue.

COUNTY DOINGS

by JACK WOOD

The first of county tax bills were in the mail last week, according to assistant county tax collector Ross Conti.

The job is to be completed this week. Conti said the number of bills has increased about 5,000 during the past year and the total tax charge is up $5,000,000 to a record total of $78,000,000.

The county collects all taxes for districts throughout the county, including school districts, and for all cities except San Mateo, Burlingame, Redwood City, Daly City and San Carlos.

Property owners in those cities will get two bills, one from the county and one from the cities. All other property owners will find their taxes combined on one bill.

A committee of four men from the heavy construction industry is studying how to being greater harmony between the general public and the construction industry in San Mateo county, which in the past, has been at odds with each other.

George McLean, a Burlingame contractor who makes his home in San Mateo, heads up a committee of the Engineering and Grading Contractors association, which consists of Arthur "Buzz" Haskins, South San Francisco contractor; Ray Brutton, with a Mountain View contracting firm; and Phil Eldredge, executive secretary of the Chapter from Palo Alto.

The contractor group plans to sit down with key officials in the various cities in an effort to reach mutually satisfactory solutions to such problems as restrictions on dirt, sand and rock hauling.

San Mateo County's beaches are the sixth busiest in California. Of the state's 121 beaches, parks and historical monuments, only five get more visitors: Folsom lake, Humboldt redwoods, Squaw valley, Huntington beach and Columbia.

Figures for the fiscal year 1961-62 show that 792,016 people visited the local beaches.

San Mateo county people point out that the large number of people attracted here is not reflected in the amount of state money spent on maintenance or improvement here.

It is said that very little state money has been spent here since the county turned the beaches over to the state a few years ago.

The View From ..Behind The Badge

Written and Edited by Daly City Police Department

GOBLINS, WITCHES, AND POLICEMEN . . .

Halloween will occur next week. As often happens with labor strikes, earthquakes, elections, and other catastrophies, the police will be on duty and in force.

Days off have been cancelled for the second platoon, and judicious juggling of personnel assignments has resulted in this detail being in a "beefed up" status, as some newspaper writers are wont to say.

Reserves and regulars, uniformed people and plainclothesmen, policemen of several sizes and shapes —and of one frame of mind—will be on duty on Halloween, along with the goblins and witches.

Prospective vandals had best look twice at the person riding a broomstick on that night, as the operator of that vehicle might very well be an undercover officer.

Most of those assigned will be uniformed people in marked cars — and they will be functioning and much in evidence.

Notice is hereby served that holliganism and wanton vandalism will not be tolerated in any form. Perpetrators of such escapades will not be treated gently. They will be scooped up by the patrol and will be immobilized at the police station until such time as the festivities are concluded for the night. Then, when time permits, police reports will be made out for permanent filing. Whether incarceration, citation, or release is to be implemented will be decided at that time.

Rioting, mob action of any kind, or the disruption of traffic will be dealt with summarily and severely.

Nothing being said here should be construed as to imply that children who are "Trick and Treating" cannot do so. Children are encouraged to "Trick and Treat" if they so desire. It is recommended that small children be accompanied by an adult.

Any adult or juvenile who intereferes with the orderly and traditional foot traffic of costumed trick and treating children will be arrested. The children are not to be bothered by clowning irresponsibles.

This last comment will apply particularly to persons operating motor vehicles of any type. Show-off drivers who endanger or actually harm any child will be vigorously prosecuted. Adult chaperones should be present to minimize the possibility of children becoming traffic hazards, however.

We are referring here primarily to hot-rodding juveniles speeding through streets crowded with costumed youngsters who will be going from door to door. Such vehicles and occupants will drive carefully or will face the most severe prosecution legally possible.

Persons who throw objects or spray ingredients of any type from moving vehicles will be acted upon. Citizens are asked to record the license numbers of any vehicles involved in actions of this type and to call the police.

Mob scenes in drive-in restaurants and in shopping centers will be short lived. The police will not permit such fiascos.

Celebrants are asked to avail themselves of school parties, where they exist, or to attend recreation department dances, which will be announced.

People can make noise and have fun without acting the part of fools.

Merchants are asked to remove from their shelves, or at least to sell only to adults, such articles as spray paints, spray shaving creams, and any other product which is dispensed in a spray can.

Merchants are strongly urged to cooperate and to comply in this respect. It may very well help to save someone's sight, or, at the very least, the paint finish of an automobile.

In the past, on Halloween, older juveniles have on occasion strongarmed younger children to the effect of removing fro mthem their trick or treat candies. Such thieves are perpetrating robbery. When caught this year, they will be arrested and sent to the Hillcrest Juvenile Home.

We agree that some of our writings here might serve as a power of suggestion to some feeble minded and easily-led juveniles. We hope that most of our people are several cuts above those who exuded mob spirit recently at the University of Mississippi, and that our words will be interpreted as a caution and not as a suggestion.

We do suggest, cajole, and implore parents of youngsters to convoy them if they go outside the home to trick or treat. Thought could well be given to holding children's Halloween parties in the home.

While we do not propose to be wet blankets, it should be noted that curfew for juveniles will be enforced as usual (that is, no loitering after 10 p. m. for those people under 18 years of age).

We ask parents of older juveniles to know where they are going on that night, and to require them to be home at a given time. Those whose offspring will operate automobiles should be particularly interested in the activities of their children on this night.

Dances and parties hosted by the schools and the recreation department will be vigorously policed.

Merchants can help by restricting sale of stock which could be utilized maliciously.

All good citizens are solicited to assist in restricting any activities which might appeal to the thoughtless, undisciplined, hooligan element, and to those who are easily inspired or led by this element.

Although we are happy to say that much of modern law enforcement work can be accomplished in a gentlemanly manner, mob buffs and others who might be prone to be "physical" on Halloween eve might do well to remember that "force" is still present in the title of "police force." Our officers can and will subdue and contain any rioters and assailants.

The Daly City police department wishes all citizens a happy and safe Halloween.

THE WHITE HOUSE

UNITED NATIONS DAY, 1962

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA

A PROCLAMATION

WHEREAS, the United Nations' vigor and effectiveness have increased over the years; and

WHEREAS, the United Nations has become the principal forum for open discussion of world affairs; and

WHEREAS, the United Nations is now an effective instrument against hunger, illiteracy, disease, and despair and

WHEREAS, the United Nations is a main avenue for cooperation in the peaceful uses of outer space; and

WHEREAS, the United Nations' peacekeeping potential provides a key to world disarmament; and

WHEREAS, the United Nations' authority depends on the moral and financial support of the world's nations and people; and

WHEREAS, the General Assembly of the United Nations has resolved that October 24, the anniversary of the coming into force of the United Nations Charter, should be dedicated each year to making known the purposes, principles, and accomplishments of the United Nations:

NOW, THEREFORE, I, JOHN F. KENNEDY, President of the United States of America, do hereby urge the citizens of this Nation to observe Wednesday, October 24, 1962, as United Nations Day by means of community programs which will demonstrate their faith in the United Nations and contribute to a better understanding of its aims, problems, and accomplishments.

I also call upon the officials of the Federal and State Governments and upon local officers to encourage citizens groups and agencies of the press, radio, television and motion pictures to engage in appropriate observance of United Nations Day throughout the land in cooperation with the United States Committee for the United Nations and other organizations.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the United States of America to be affixed.

DONE at the City of Washington this 30th day of April in the year of our Lord nineteen hundred and sixty-two, and of the Independence of the United States of America the one hundred and eighty-sixth.

Nixon Headquarters Opens In So. S.F.

South San Francisco headquarters for Nixon for Governor have recently opened at 305½ Grand avenue.

The office will be maintained by the Republican Women's League for the Election of Richard Nixon. Call the campaign headquarters for material necessary to actively support Mr. Nixon in his campaign for election. The telephone number is JU 9-3913.

The 1962 canning tomato crop is estimated at 3,173,000 tons. This is the largest crop on record, and one-third above last year's crop.

WESTMOOR HIGH STUDENTS TAKE SCHOLASTIC APTITUDE TESTS

Usual Saturday silence at Westmoor High was broken on the morning of October 20, as 48 students gathered to take the Preliminary Scholastic Aptitude Test.

An especially useful feature of the PSAT is its planned similarity to the College Entrance Examination Board's Scholastic Aptitude Test (SAT), which is required for admission to many colleges. Because the PSAT and the SAT ask the same kinds of questions and measure the same kinds of abilities, the PSAT scores give an early indication of how the student will probably perform on the SAT if it is taken later.

Representing a measure of verbal and mathematical ability, the PSAT scores will be sent to the school in December. By comparing their abilities with those of others in the same grade across the country, the students will be better able to decide whether or not they should go to college.

In addition to helping students in college planning, the PSAT also serves another purpose. Since a number of scholarship sponsors use PSAT scores in the consideration of applicants for awards, scholarship hopefuls can fulfill one of the qualification requirements by taking the PSAT for $1.

James Schaffner Elected Vallemar Student Prexy

James Schaffner, son of Mr. and Mrs. Henry Schaffner of 732 Bradford way, was elected to the post of president of the Vallemar Student Body last Friday. The election came at the conclusion of the campaign period, following a general assembly where candidates made platform speeches to the electorate. Students in grades five, six, seven and eight cast ballots.

Vice president for the school year will be Dave Stevens, who defeated five other candidates for the office, and Austin Nobriga was elected to the position of student body treasurer.

In the closest contest of the campaign, Wendie Estlund was elected secretary, winning over her five opponents by a scant two-vote margin.

The exercise in the practice of student government is an integral part of the learnings in the upper grades at the Vallemar School. Mrs. Collette Palmer, a faculty member, serves as advisor to the group, which will not lead the student council in scheduled meetings to discuss school affairs and render student opinions and decisions relative to the general student body.

One of the decisions expected to be made in the near future will be the selection of a mascot for the school.

Halloween Dances For DC Teenagers

Two programs for junior high and senior high teenagers are scheduled by the Daly City Recreation Department for Halloween night.

The Hi Fi Teen Club for high school students will hold its regular evening program at the War Memorial Community Center with a Halloween theme. Activities will include door prizes for costumes, which are optional, special refreshments, extra prizes, thrills and dancing. The evening's activities will begin at 7:30 and last until 11 p.m. with admission by teen club card or student body card and 35 cents.

A special Halloween program and dance for 7th and 8th grade students is planned at Colma School from 7:30-9:30 on Halloween night. Program will include dancing, special contests, door prizes and refreshments. Admission will be by permission slip which are available at the school and 10 cents.

Prizes will be awarded for the best Halloween costumes. Students not desiring to wear costumes should wear slacks and sweater or sports coat for boys and skirt and sweater or dress for the girls.

French Club Members Attend Surf Theater

Surf theater was the destination of twenty-five Westmoor High School French Club members on Oct. 2, when they viewed Moliere's "The Would-be Gentlemen" and "The Symphonie Pastorale."

Movie-going was the first activity of the club's program this year. Among future events are dining at a French restaurant, visiting a French art collection from the Palace of Versalles, and possibly having a progressive dinner. Hearing a French foreign exchange student speak at a club meeting has also been planned.

Dave Mark Rated Successful Artist

Dave Mark, 1961 Westmoor High School graduate, is currently rated as a successful aspiring artist in the bay area.

Presently attending San Francisco State College, Dave has applied for a scholarship at the American Academy in Rome, Italy. Winning a scholarship to the College of Arts and Crafts in Oakland is only one of the many honors that has been bestowed upon Dave since 1957.

Last year Dave put on a successful one-man showing at the Artists' Co-operative on Union Street in San Francisco. His paintings are now on display at the Collector's Gallery in Oakland, the Golden Gateways Gallery, between Montgomery and Clay, the Pantechnician Gallery on Union Street, the Rembrandt Gallery on Post, and the Artists' Co-operative on Union.

Students See "12th Night" Production

The magic of the Shakespearian theater filled the afternoon of 31 Westmoor High School students last Saturday when they saw the "Twelfth Night."

Theater goers from the English 5E and 7E classes journeyed to the Marine Memorial Theater to enjoy the performance which gave them active insight into the history of the theater and of great English literature.

The first in a series of productions to be seen by these culturally-inclined English students, future plays include the "Glass Menagerie."

Accompanying the group was Mrs. Doris Lindfors, English instructor.

Mock Election Set At W'moor

Westmoor High students will get a chance just prior to the November 6 election to "elect" California's governor, attorney general, senator, and state superintendent of instruction.

Mock election will be held under the auspices of the newly formed Junior Statesman Club and its adviser, Alvin Wolf. Members will man a polling place as yet undecided upon.

Constitution of the club has been formulated from a sample distributed by the statewide organization.

If the Westmoor group becomes a chapter of the statewide organization it will be eligible to send representation to a statewide convention, modeled after the California state government.

Meetings are the second Wednesday of each month with other meetings to be held when they will not interfere with other clubs.

DC Teen Club Registration

Registration for membership in the Hi Fi Teen Club for the new school year began last Wednesday night and will continue through November 14. The club, open to all high school aged students living in the Westmoor - Jefferson High School area, meets regularly on Wednesday evenings at the War Memorial Community Center.

Membership applications for both old and new members may be filled out at each teen club meeting or picked up at the Daly City Recreation Department offices. A 75 cents registration fee is required of all members which covers the cost of the club card and basic club expenses.

After December 5, no one will be admitted to the teen club without a teen club card with his or her picture on it. Arrangements are being made by club officers to laminate the picture to the card for easy identification of members.

Students Hold Kuchel Party

The Bay Area Students for Kuchel will hold a "Toast to Tom Kuchel Night" on Friday, October 26, from 8:30 p. m. to 1 a. m. at the Parkside American Legion Hall, 2800 Taraval street.

The fund raising party will feature free beer and includes dancing and entertainment.

Contribution is $1 for males and 50 cents for females.

Cardamon, the dried fruit of a plant of the ginger family, was known and used by Arabs and East Indians more than 800 years B. C.

FAIR EXCHANGE — Helena Frisell, 17-year-old Swedish exchange student at Westmoor High School, said this week that California is quite a bit different from her native land, but she welcomes the chance to see new things and people. A city girl, she hails from Stockholm and is an avid skiier and ice skater.

Crocker-Pershing PTA Holds First Meeting

The first meeting of the Crocker-Pershing PTA was held October 9 in the George Washington School Multi-Use room.

Mrs. L. Griswold's second grade class led the audience in the flag salute and sang "The Battle Hymn of the Republic."

A. Parodi, budget and finance chairman, presented the 1962-63 budget which was unanimously adopted in the amount of $1,322.

Mrs. A. Parodi, president, announced the theme for the PTA membership drive "Bridge the Gap Between Home and School—Join the PTA." At the conclusion of the membership drive, Oct. 31, a banner will be presented to the school that has the highest percentage of parent membership. Ice cream sales will be held at each of the three schools at noon on Fridays. A rag drive will be conducted the week of October 22.

Mrs. B. Kushamn, program chairman, introduced Mr. J. Parks, Crocker School principal and Mr. F. Schweickhardt principal of General Pershing and George Washington Schools. The principals spoke briefly on curricular goals for the year and introduced the staff of each school.

At the conclusion of the meeting, each teacher met with parents of the pupils to discuss the educational program as planned for the year. Parents were encouraged to ask questions and to join in the discussion.

The attendance banner was awarded to Mrs. M. Clarke's class at Washington School.

Teenagers In St. Thomas More Fashion Show

Several teen agers of St. Thomas More Parish have been selected to serve as hostesses for the annual Fashion show and luncheon. "Gateway to the East," to be held at the Olympic Club at Lakeside, Saturday, November 3, at 12 noon.

This annual event to be given by the Sodality of Our Lady of the Assumption of St. Thomas More Parish will feature fashions from Casual Aire.

The young hostesses are the Misses Sue Kiep, Carol Edwards, JoAnn Chappel, Janice Martire, Kathy Leutza, Carol Tivenan Christine Wegman and Kathy Young.

Reservations may be made by contacting Mrs. Eugene Kiep, JU 4-4480 or Mrs. Lewis S. Banks, DE 3-1205.

New Activities Planned For Pacifica Youth

The following new activities will be conducted for Pacifica youngsters with registrations being held on the first day of the program. The registration blanks will be distributed through the schools or they will be available at the park, beach and recreation department at the City Hall.

Two Students Apply For Field Service

The names of Jim Fotenos and Mary Jane Putz, two Westmoor High School juniors, have been submitted to the New York office of the American ield Service as candidates for a foreign scholarship under the American Abroad program.

They were chosen from among nine qualified applicants by an American ield Service committee, which included representatives of the school and community.

First step in selection was an orientation meeting October 8, at which American Abroad district chairman Mrs. Hawley informed the students and their parents of the chances of their being selected American Abroad students. She explained that there are 1,800 student applications annually and only 1,200 can be accepted.

Next the students were interviewed by the selection committee. On October 9, the committee interviewed Marilyn Durham, Nick Freiberg, Jim Fotenus and Evelyn Goodell.

The following day, October 10, Denise Jamin, Cathy Lynch, Mary Jane Putz, Ed Raymond and Carol Vanham shared in the valuable experience of the preliminary interview.

Official American Field Service application blanks will be sent to New York where the final selection will be made. The AFS makes no guarantee to accept a candidate from each of the participating schools.

Pacifica Teen Council Plans Youth Activities

Last year marked the initiation of the J-Teen Council for the City of Pacifica and great strides were made by this advisory group in planning and conducting activities for Pacifica's seventh and eighth grades.

The representatives for the 1962-63 Council have been selected and are as follows:

Sharp Park School — Mary Ann Rentmeester and Clancy Smith.

Linda Mar School — Jack Sclulz and Kathy Tomkins.

Vallemar School—Lynn Cutcomb and Gary Peek.

Sanchez School — DeAnn Needels and Thomas Henry.

The council represents the seventh and eighth graders of their school and serves in an advisory capacity to the park, beach and recreation department in planning activities for the city.

The first meeting of the council will be held Wednesday, October 27, at 7 p. m. at the city hall in Pacifica. Janette Howell, recreation supervisor, will serve in an advisory capacity. She is a student at San Francisco State College.

Ladies Chorus Class Offered At South SF

There is still time to register in the ladies chorus class offered Tuesday evenings from 8 to 10 o'clock at South San Francisco Adult School, according to Mrs. Patricia Stolz of Daly City, choir leader.

Mrs. Stolz attended Washington University opera workshop in St. Louis. She studied voice at Fontdonne College in St. Louis and Monticello College in Alton, Ill. Before moving to Daly City, Mrs. Stolz was a semi-finalist in the Metropolitan Opera auditions for the mid-western states.

She is the founder and current director of the popular choral group from Daly City known as the "Belle Tones." This group is sponsored by the Daly City parks and recreational department.

Interested singers may contact the South San Francisco Adult School office at 400 B street, South San Francisco, or phone JU 9-6285.

North Peninsula League Conclave At Terra Nova

On Saturday, October 13, Terra Nova had the honor of hosting the North Peninsula League Conference. It took place from 8:30 a.m. to 12 noon, with students from El Camino, South San Francisco, Westmoor, Oceana, Jefferson, and Terra Nova high schools participating.

The theme was "Launching Pad to the Future" and the topics discussed were repsonsibilities, duties, and training of student executive officers in and to their schools.

Surprisingly, everyone was present, in spite of the heavy rain. The conclusions of the conference will be printed and distributed to the schools in a couple of weeks.

Persons in charge of making this first conference a success were: Karen Post, student body vice-chairman; Sandra Maule was in charge of stenography and recording; and Donna Anido was in charge of decorations and brunch.

Pedro Valley PTA Hears Unification Speaker

Walt Henkel spoke to the Pedro Valley PTA on the subject of "Unification of the School District." At last week's meeting. Henkel answered questions following his talk. He explained the reasons for unification throughout the State of California and described the advantages he feels this move will provide.

Girl Scout Troop 506, which is under the leadership of Mary Price and Jo Lunsford, presented the colors and offered to provide baby sitting during the meeting.

Helen James, a second grade teacher, was auctioneer for a scarecrow centerpiece, created by Florence Licht, hospitality chairman. Highest bidder was Mrs. Dianne Alexander, third grade teacher, who won after enthusiastic bidding from the audience.

Principal Sam Buel introduced the faculty, praising them and the parents for their courage and loyalty in coming in spite of the storm. A social hour followed the meeting with refreshments provided by the first grade mothers.

Demos Endorse Entire Slate

The Daly City-Colma Democratic Club, at their last meeting, endorsed unanimously the entire Democratic slate for the November 6 general election. With regard to Propositions 1A and 1 they voted "Yes" in support of these two measures.

The club also went on record as opposing Proposition 24 on the ballot because the club believes as a whole that Proposition 24 is un-American, that it violates all our principles of freedom of speech and thought, and that it denies all due processes of law.

'Monster Mash' Friday At W'moor

Ghastly ghosts will be a common sight around Westmoor High on Friday night, October 26, at the AFS sponsored dance, "Monster Mash."

Current fund-raising project of the WHS chapter of the American Field Service is one of many such programs for raising money to send a Westmoorite abroad as an exchange student. Hopes of having Westmoor represented in a foreign country have been raised higher by the fact that WHS is currently hosting Helena Frisell, an exchange student from Sweden.

Committees for the dance include Chairman Ed Raymond, and publicity committee workers include Mary Jane Putz, Kathy Dearer, and Linda Loftus.

CHURCH EVENTS

Stewardship Director Guest Speaker At B'moor Church

Broadmoor Presbyterian's pastor, Herbert Tweedie, will be missing from his pulpit this Sunday, and Daly City's Louis Petersen, director of Stewardship and Public Relations for the North coastal area of the Presbyterian Church, will take his place.

Tweedie is off for the weekend to Southern California, to attend the 50th Anniversary celebration of the Placentia Presbyterian Church, in Orange County. He was pastor of the Placentia church from 1948 to 1953.

The 87th street church is in the middle of its ABCD program of Stewardship, and Petersen's visit will give added emphasis to the annual drive for financial commitment on the part of the members and friends. He has been Director of Stewardship since 1951, coming to the North coastal staff from a year as director of Christian Education at Lakeside Presbyterian.

A native of California, Petersen spent his youth in the San Joaquin Valley. He is a graduate of San Francisco State College, a major in sociology and psychology. Following graduation, he did two years' graduate study at the University of California, was advertising manager for a dry-goods chain store, and worked briefly for the YMCA.

Petersen is an Elder in the Presbyterian Church, past president of the National Religious Publicity Council and publisher of the Presbyterian Progress, which is the official publication of the Presbyterian Church's North coastal area.

Ruth Petersen, his wife, was at one time the choir director/organist for the Broadmoor Presbyterian Church.

The annual Halloween Witches-Pot-Luck Supper and Party is scheduled for this Friday evening at 6:30 p.m. in the church's dungeon. Costumes are the order of the night, with games and prizes and fun. Those who attend in "civilian clothes" must pay the pumpkin for their dearth of imagination. Sponsors for the evening are the ladies of the Women's Association, Bernice Hamilton, president.

Our Redeemer's Church Services

Sunday, October 28, 9:45 and 11 a.m., two morning services.

Afro-Medical Doctor Is Baptist Speaker

Mrs. Dennis Carlson, who, with her medical doctor husband and children, have spent the last four years in the Ambo district of Ethiopia, Africa, will be the featured speaker at the Bay Area Women's Missionary Rally meeting this Thursday, October 25, at the Willow Glen Baptist Church in San Jose.

The Carlsons are presently in the United States on furlough, and while here, Dr. Dennis Carlson is taking graduate work in public health at the University of California. Mrs. Carlson and her husband are in wide demand as missionary speakers in churches here in California, and a real treat is in store for those ladies attending this rally.

Following the noon luncheon, workshops for the various society officers will be held. Women from Westside Baptist who will be attending are the following: Mesdames Sturdevant, Swedberg, Faver, Donnelly, Swanson, Hernandez and Besser.

The Wednesday evening prayer and Bible study hour meets this week at the Alton Swedberg home, 19 Creston avenue, in Daly City.

Team captains, teachers and officers of the Sunday school are striving to go "over the goal" by November 25, with a church school attendance of 100.

"The Biggest Little Word" will be the topic selected by the pastor, A. David Donnelly for his morning worship service sermon.

Today, as never before, church members need to know what they believe, and why. So during the past weeks in the Evening Gospel Hour, the pastor has been giving a series of messages on "Baptist Beliefs."

This Sunday night at the 7 p.m. hour, the topic will be "Justification by Faith." This Sunday evening, service is characterized by a time of singing the choruses and hymns the congregation desires, and giving opportunity to members and friends to express their faith in Christ, in a word of testimony. The service concludes at 8 p.m.

Westside Baptist Church hold their Sunday services in the auditorium of the Southwood School, Hill street and Southwood drive, in South San Francisco, and is affiliated with the Baptist General Conference.

Autumn decor with an international flavor as the local chapter of American Field Service host a reception and tea to introduce their exchange student from Sweden, Helena Frisell, to the community. Scheduled for November 8, the tea honoring the young Swedish girl, who is attending Westmoor High School, will be held at the Westmoor clubhouse, just south of the school campus.

A national organization with headquarters in New York, American Field Service is a private non-profit organization devoted to furthering world understanding through student exchange programs.

The local chapter is headed by the Rev. Herbert Tweetie, chairman, and committee members include: Mrs. Jean Sunderman, Mrs. Doris Lindfors, Mrs. Eleanor Raymond, Hartley Appleton, Peter Markovich and Paul Zimmerman.

Not a community leader of the present, but a community leader of the future is the subject of our interview this week.

We were delighted to meet and chat with Westmoor's first foreign exchange student, Helena Frisell, who will be honored at a community reception.

With curly blond hair and a ready smile, the attractive 17-year-old teenager speaks perfect English. In addition to Swedish and English, she told us she also speaks, reads and writes French and German. She began her study of languages during her fifth year in school.

Her bright blue eyes sparkled as she answered our question as to how she liked this country, "I'm very happy I'm here, everyone is so friendly and lots of fun." We noticed as we walked down the hallway with her that she was greeted every few steps by a Westmoor student with a cheery "Hi, Helena!"

In comparing American students with those in Sweden, she said they are alike except Swedish students are more serious minded and more likely to discuss world problems.

She commented, too, that Swedish teenagers come to school more dressed up. The girls never wear short socks or keds and boys usually wear suits.

She was most impressed with San Francisco, commenting that it is "picturesque." She also was impressed with our low suburban type homes so close to a large city. She expected to see more tall city buildings in this area.

With six years of school still ahead of her, following her year in America, she plans to continue studying English and French and then enter the foreign service.

Right in keeping with the mood of the weather were the winning paintings at the recent Pacifica Art Guild Festival when awards were announced before a capacity preview audience on last week's stormy, rainy Friday night.

First award went to Louis Hayes for his oil painting, "Winter World"; second place to Luther Spraker, an enamel abstract, "Quiet Sea, Deep Water," and third place, "The Swans," a mosaic by Vida Trout.

The painting selected by popular vote of those attending the preview was "The Heavens Broke," by Sherri Thomas, a dramatic painting in shades of blue with a lone figure on a cliff and a ship floundering.

The Esther Berstrom memorial award, chosen by Art Guild members by vote, went to Louis Hayes for his "Winter World," a forceful and dramatic painting of trees and patches of snow.

Brr . . . rr . . . rr the black and orange invitation read "Witches' brew and scraps will be served at a preview party at the haunted house." A clever way to announce the sixth annual "Haunted House" benefit of the San Mateo Children's Health Home.

The cold, chilly cells and halls of the old House of Justice will be open to the public (October 25 through Halloween) for a special haunted house tour. Hours will be from 3 to 9 p. m. weekdays and noon 'til 9 on weekends.

So gather the family together, jump on your broomsticks and fly down.

SOCIAL WHIRL: Show stoppers were the colorful, fragrant hats made of flowers — yellow mums, ruby red carnations, delicate African violets — at the recent Hillsdale Flower and Fashion Show. Mrs. William Huston, Jr., of Daly City was lovely in a white brocade suit topped by a hat of green leaves and red roses. Mrs. Joseph H. Kusber, president of the Daly City Garden Club, was assistant chairman of the fashion show.

Scheduled for Sunday afternoon, November 11, is the fifth annual Pacifica Federated Women's Club fashion show to be held at Nick's Restaurant in Rockaway Beach. Holiday fashions will be from Linda Mar Dress Shop, and models will be club members. There will also be a drawing for a hi-fi set. Mrs. Daniel Uriarte is general chairman of the event, and tickets for the drawing and fashion show may be obtained from members.

OLM Setting For Swartz-Kirchhofer Rites

MR. AND MRS. ROBERT KIRCHHOFER —Milton Mann Photo

A beautiful altar, decorated with gladioli, at Our Lady of Mercy Church in Westlake was the setting for the October 14 nuptials of Carol Ann Swartz and Robert Jennings Kirchhofer. The Rev. Father Timothy Monahan performed the holy rites.

The new bride is the daughter of Mr. and Mrs. Walter E. Swartz of 120 Broad street, San Francisco. Her husband is the son of Mr. and Mrs. Robert Jennings, 2433 Freemansburg avenue, Easton, Pa.

Carol Ann, a beautiful bride in traditional white taffeta set off by a lace inset and peaked sleeves, approached the altar on the arm of her father, carrying a bouquet of white roses. A lace and pearl crown with a butterfly veil completed the bride's attire.

Her maid of honor, Claire Cranucci, was gowned in pink taffeta, with a red crown and shoes completing the ensemble. She carried a bouquet of red and pink roses to carry out the color motif. Bridesmaid Patricia Monahan was attired in an identical outfit.

Richard Swartz attended the groom as best man. The usher was Larry Jordan.

The bride's mother wore a green ensemble with shoes and bag to match for the occasion. The senior Mrs. Kirchhofer's dress was in beige wool crepe.

Following the ceremony, the new Mr. and Mrs. Robert Kirchhofer greeted guests at a reception at the House of Lawton in San Francisco. The couple embarked on a honeymoon to Carmel and southern California.

The bride is a graduate of Mercy High School and attended City College of San Francisco. She is currently associated with the Matson Navigation Company.

The groom attended Wilson Borough High School in Pennsylvania, and Millersville State Teachers College. He is now serving in the Navy aboard the USS Plunger and is stationed at Vallejo.

Jeff High PTA Plans Chuck Wagon Dinner

The board meeting of Jefferson High School PTA was held October 4 in the faculty room of the high school.

The chuck wagon dinner, to be held November 14, was the main topic for discussion. Mrs. Charles Tabucchi, ways and means chairman, announced the theme would be "International."

Various committees were appointed. Mrs. Donald Iwahashi will decorate in the "International" theme. Mrs. Foriest Cunningham will be the receptionist, and the Jefferson High School girls will be hostesses, dressed in native costumes.

Mr. Larsen, music teacher at Jefferson High School, has consented to have the dance band play through the dinner hour, from 6 to 7:30 p. m.

The entertainment committee —Mrs. Arthur Hermosillo and Mrs. Anthony Liberato — are arranging the entertainment on the international theme. Can-Can girls, Spanish dancers, a Hawaiian number and various other talented students from the high school will be represented.

Gary Arnold, a student from Jefferson High, will make his first public appearance as a singer.

The menu came under discussion. It was decided to serve ham, turkey, cranberries, potato salad, cole slaw, macaroni salad, baked beans, pickles, carrots, olives, celery, rolls, ice cream, cookies, milk, coffee and tea.

The dinner will be prepared in the school cafeteria under the supervision of Mrs. Jane Cloutier, head of the cafeteria.

The cost will be $1.50 for adults, 75 cents for children under 12 and for students holding Student Body cards from the Jefferson High School and Colma Junior High School.

Please make reservations early. Tickets may be obtained from the following: Mrs. Mendel Plansky, PL 5-6849; Mrs. A. Liberato, PL 5-5279; Mrs. Jones, PL 6-2995, or Mrs. A. Hermosillo, PL 5-6594.

Benjamin Franklin Halloween Dance

The Recreation Department is planning a Halloween dance Wednesday, October 31, from 7:30 to 10 p.m., in the Benjamin Franklin multi-use room.

All seventh and eighth-grade youngsters attending Benjamin Franklin are invited. Parents are asked to pick up their children at the door when the dance is ended or have rides arranged for them.

Nancy Whitaker Weds Robert Curtis

Mr. and Mrs. Robert M. Curtis are now making their home in Westlake following their recent Daly City wedding.

The new bride, the former Miss Nancy E. Whitaker, daughter of Mr. and Mrs. N. E. Whitaker, 702 Beechwood drive, Daly City, exchanged vows with Robert M. Curtis, son of Mr. and Mrs. Leonard Curtis, 267 Garden drive, Bakersfield, before the altar of the Hope Lutheran Church in Daly City.

The holy ceremony was performed by the Rev. Alway J. Bell.

The lovely bride came down the aisle in a high neck, floor-length bridal gown, with detached train. Her skinner satin dress was brocaded with roses.

Her headpiece was highlighted with seven roses forming a crown, from which the fingertip veil flowed. She carried a bouquet of white begonias and ivy.

Nancy's sister, Margie Whitaker, performed the role of maid of honor. She was attired in a dress of peacock blue skinner satin. Her bodice was formed by three peau de soie ruffles attached to a blue sleeveless yoke.

The bridesmaids were Joyce Whitaker, Katherine McReynolds, Norma Lakin and Gwen Clifton. They were attired identically to the maid of honor.

For his best man, the groom chose Ronald Van Groningen. Ushers were Donald Beard, Joseph Nangle, Robert Eitzen and William Meggs.

Candlelighters were Jean Nix and Sut Lakin.

One of the most prevalent comments of contemporary luminaries in the colorful world of pugilism is, "Why don't the people give us a chance before condemning our sport?"

Often this is true. The sport of boxing is hurting in many different ways. The recent death of Benny Paget, plus the out-of-the-ring antics of Sonnny Liston have helped to instill an adverse opinion of the game in the minds of the public.

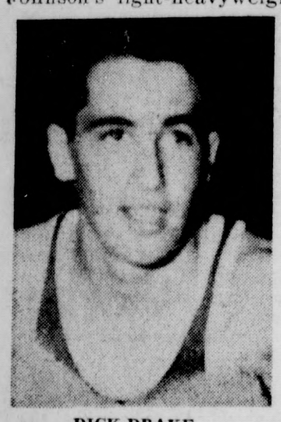
Adding to this sour picture are the many hoodlums who have infiltrated the sport and purged it of money, an dtry to gain control of matches and the fighters.

We have always been sympathetic to the fight game's views and have often defended boxing.

However, the men of boxing should start crying less and start cleaning up their own game if they want the sympathy of public opinion to swing to their side.

And one of the places they can start is by making sure that boxing bouts are evenly matched. Saturday night on the magical lantern we witnessed one of the more gross mis-matches of the year.

Doug Jones, the number one contender for Harold Johnson's light-heavyweight laurels, took on substitute Bob Foster. The latter stepped in on late notice for Zora Folley, who cancelled out.



DICK DRAKE
. . . S. F. State Cager

As far as we are concerned, we would have rather had no fight than to put on an atrocity such as the one staged.

The New York Boxing Commission, plus the manager of Foster and matchmaker of Madison Square Garden, should all be reprimanded for staging such a travesty before the public.

Jones, who has fought for the title and fought a heavyweight contender, Eddie Machen, is a seasoned campaigner with know-how. Foster, on the other hand, had engaged in only 11 pro fights. He was inexperienced, untested, and also he took the bout on short notice — so was not in the best of condition.

We don't wish to take any credit away from the gangling Foster. He was game, but gameness doesn't make champs. It was evident in the first round when Foster came sauntering into Jones' cocked rights and lefts, with his chin extended, that the bout was a mismatch. Right then and there the ref, who did a commendable job under the circumstances, should have called it off.

Jones, who is known to be a clever boxer, fought the whole fight, which incidentally lasted eight rounds, flat footed. He plodded around catching Foster with hard lefts and rights, and at no time was forced to go on his toes and use his boxing skill to thwart his opponent.

The game Foster landed a few hard ones of his own, but if he had been any kind of boxer, he would have gone up on his toes and boxed the flat-footed Jones. However, his novice talent showed when he could do nothing else than try to slug it out.

The referee mercifully ended the bout at the outset of the eighth round. Foster was reeling about in a semi-daze from belts taken in the previous seven rounds.

The matchmakers and managers were lucky that they didn't have another Benny Paret or Aljeandro Lavorante incident on their hands. Foster, unable to defend himself against the experience of Jones, took many shots to the temple and chin.

We didn't make a count of the blows, but it was far more than any fighter should endure. If he takes as much punishment in his future bouts it may have its tell-tale effects on the youngster, until in a couple of years he is unable to discern night from day. Sugar Ray Robinson didn't preserve his mental faculties by putting his head through a grinder when he was young.

The physical beating incurred by Foster could impede his mental outlook towards the game also. And maybe it would be for the best if he packed his bag and said goodbye to the game.

To us it was just another incident of the money-hungry managers feeding a youngster to the wolves for a measly four grand (which is what the TV sponsors pay the fighter). By the time his manager, the trainers, the gymnasium and Uncle Sam get their cut, Foster has little to show for the knots on his head and the pain in his brain.

His manager knew Foster's capabilities and he knew Jones' capabilities. He should have nixed the bout as soon as it was mentioned. But dollar signs seem to impair the vision in the fistic world. Especially when it isn't your skin — "just the life of some poor boy who wouldn't have amounted to anything anyway."

When boxing starts disciplining itself and takes the needed steps to clean up its own backyard, then we will climb back into its corner again. But until that time, we will sit back, enjoy the good bouts and holler loud whenever boxing steps the least bit out of line.

Let's hope that the fight boys become enlightened and take last Saturday night's bout as an example of poor taste. Occurences such as last week can only add further coal to the fire on which the banishment of boxing is based. And we would sure hate to see that come about.

Jeff, Rams In Crosstown Clash

The Jefferson High School grid machine, which suffered a grave mechanical breakdown last Friday afternoon in Pacifica, is in the shop this week with coach Joe McGrath trying to diagnose the difficulty.

McGrath has only two more days left in which to find the mechanical lapse which allowed the Terra Nova Tigers to upset the Indians from Mission street, 19-13, before a crowd of jubilant fans on the Coastside last week.

Friday afternoon the Indians pack their gear and trek crosstown for a North Peninsula League meeting with arch-rival Westmoor on the latter's field.

Unlike the Indians, the Ram grid machine ran very well in the Coastside weather last Friday, as they buried hapless Oceana, 47-7, in their NPL opener.

If McGrath doesn't want to experience another loss, he will have to have the Indians in top shape, both mentally and physically.

One of the things the Indian machine will be working on this week is learning how not to fumble. The gridders bobbled five times last week and on each occasion the opposition recovered.

One of the bright points emerging last week was quarterback Larry Ahuna. Up until this time, Ahuna has been having trouble finding his receivers. However, Friday the slender signal-caller hit on five out of eight pitches for 46 yards. End Rich Waller was on the receiving end of four of the passes, including one touchdown toss.

Ahuna also displayed running power as he led all Indian rushers with 47 yards in 14 carries. Don Letcavage was second with 25 yards in six carries.

While the Indians were being held down by the Tigers, less than three miles away at the new Oceana High School in Sharp Park, the Westmoor Rams were having a field day against Oceana.

The Rams, led by the rushing of Mike DeBernardi and the passing of Bruce Hix, rolled up 385 yards against Oceana's 111 yards.

DeBernardi, the pint-sized halfback, accounted for 83 yards in nine carries for a 9.1 yard average per pack. Hix had a near-perfect day in the pitching department as he hit seven out of eight passes for 165 yards.

Coach Pete Matisi used 11 running backs, including center Mike Piganataro, whose big 210-pound frame lumbered for 21 yards in four carries for a brisk 7.0 average. Mike Barish, back in the line-up, also had a good day as he sped for 32 yards on just three carries.

Barish started the Rams out with a 29-yard around right end in the first quarter. Hix was the next hero, as he hit flanker-back Bob Mallinger with a 27-yard TD pass following an interception by Steve Schmuck.

DeBernardi scored the third Ram touchdown when he galloped 30 yards just before the quarter ended. Hix and Mallinger teamed up for the fourth score of the first half when the stocky quarterback hit the fleet flanker-back with a 24-yard strike.

Westmoor center Joe Westre recorded the fifth Westmoor touchdown when he grabbed a Shark fumble out of midair, and behind some good blocking, rambled 42 yards unscathed for the score.

Fullback Bill Mahoney closed out the first-half scoring with a 15-yard romp around left end, giving the Rams a very safe 41-0 halftime lead.

The Rams put their reserves in for the most part of the second half. Hix scored the only Westmoor touchdown in that half when he faked a pass and shuttled 15 yards into the end zone.

Oceana tallied its only touchdown in the waning minutes of the game when quarterback Steve McCaughey fired a 28-yard scoring pitch to end Duke Telegan, who made a sensational catch between two Ram defenders. Fullback Lance Rentmeister converted.

Tom Sunny led the Shark rushers with 36 yards in 10 carries for a 3.6 average.

WESTMOOR tackle Mike Bowers will lead the Rams against Jefferson this Friday afternoon at 3:15 on the Westmoor field.

Happy Tigers Meet Camino Colts

There is jubilation being felt on the Terra Nova campus these days. Coach Floyd Gonella's troops, two years in the making, are the toasts of the Coastside.

Not only did they win their second varsity football game in history, but they knocked off rival and North Peninsula League opponent Jefferson for their first-ever League victory.

This week, Gonella was seen ascending a step ladder and trying to entice his gridders to come down from the clouds and face reality.

The reality which the Tigers must face is the El Camino Colt team, which comes marching into Pacifica Friday for a 3:15 p.m. war with the Tigers.

While the Tigers were grabbing a 19-13 upset decision from the Indians, the Colts were suffering a humiliating 32-0 defeat by cross-town rival South San Francisco.

The defeat left the Colts a hungry team, and although they didn't show much against South City, scout reports have them a much better team than they showed Friday night.

Against Jefferson it was the bull-like rushes of fullback Fred Mason which propelled the Tigers over their Daly City foes.

Mason scampered for 123 yards in 14 carries for a bristling 8.7 yards average.

The Colts mainstays last week were fullback Walt Harris, fullback Bruce Castellanos and guard Ernie Trisette.

These three performed well for coach Tom McCormick's gridders, who are still suffering the after-effects of painful burns inflicted to team members three weeks ago. This week the Colts are expected to be at almost full strength.

Getting back to Terra Nova, the Tigers came from a 6-0 deficit to go into a 13-6 halftime lead. Halfback Dennis Caruthers scored the first Tiger TD when he bulled in from the two-yard line in the second period.

Earlier in the first period, Jefferson scored when Larry Ahuna picked off a Tiger fumble and scampered 35 yards into the end zone for the score.

Mason was the second hero as he took a hand-off and carefully made his way 50 yards down the middle for the Terra Nova go-ahead TD.

The Indians came charging back to tie it up in the third period when Ahuna hit end Rich Waller with a 10-yard paydirt strike. Halfback Leo Gotelli ran the conversion in to knot the score at 13-13.

The teams battled to an even stand-off until midway in the fourth period, when Tiger quarterback Manuel Pick fired a six-yard strike to Mason for the winning touchdown. Ironically, it was Pick's only completion of the day.

Val Sabuco Paces PAL Panthers Past Bears

Paul Erdmann started a PAL 49er scoring spree this week as his team defeated the Holy Angels Falcons, 49-0. Erdmann scored on a 40-yard run and pass from Rex Arnott, who hit Larry Black for the PAT, then 49er lineman Jim Tarantino caught the Falcon backfield napping as he collected a safety for his club. Arnott scored next as he rambled 10 yards.

Going to the air, he again hit Erdmann for a 25-yard TD. The defensive men then took over. Bob Banos picked off a Falcon pass and went 28 yards for a TD. Jim Sherbert caught the Falcons behind their own goal for a safety 2. Duane Morin went 40 yards on an interception for a TD. Arnott hit Erdmann for six more and then hit Keith Stoller for the PAT. John Gray ended the scoring with a 40-yard run and pass interception.

The PAL Rams' Ken Smith showed off a real arm in his team's 34-13 win over the OLPH Hilltoppers. Smith started out by hitting Matty DeBernardi for six and Joe Rahmerhe for the PAT. Jeff Long contributed a safety to the Ram scoreboard. Smith then hit Long on a 20-yard pass play for a TD. Next he again hit Matty DeBernardi for a five-yard TD. Mark DeBernardi for a five-yard TD. Mark DeBernardi picked off a Hilltopper pass and went 40 yards for the score. Smith then hit him for the PAT. Hilltopper scoring saw Gudelj hitting Chelone for a TD and then changing roles to catch a TD Pucci for two TDs then hit Ed Barry for a PAT. Berry recovered a Bear fumble on the Bear two-yard line and Sabuco bomb from Chelone.

Val Sabuco put on a one-man aerial circus as his PAL Panthers clawed up the PAL Bears, 33-19. Sabuco hit Paul hit Pucci again for a TD. Sabuco then passed to John Alvarez for the PAT. Ed Berry gathered in a 55-yard pass for the next score. This was followed by a Sabuco to Pucci special for a 30-yard TD and Sabuco then concluded the scoring as he hit Ed Berry for the PAT.

Sharks To Need Witchcraft To Upset Title-Minded SSF

With Halloween close by, Oceana coach Jeff Jones is frantically looking for a talented witch who can cook up some victory omens for the Sharks when they meet the South San Francisco Warriors this Friday afternoon at 3:15 p.m. on the Shark field.

The Sharks will need assistance from the supernatural if they expect to upset the title-minded troops from South City.

While Oceana was being buried, 47-7, by Westmoor last Friday, the Warriors were dismantling El Camino, 32-0.

Despite the lopsided loss to Westmoor, the Sharks never gave up trying—which is the first requisite for a winning team.

The youthful lads from the Coastside kept trying the entire afternoon and finally succeeded in penetrating the hard Westmoor defense with less than two minutes to go in the game.

Quarterback Steve McCaughey hooked up with end Duke Telegan for a 28-yard aerial-touchdown.

In the Warrior game, the blue and white were led by Bobby Scehner, Jim Shutz, Rich Wickersham, Larry Cervelli, Steve Balopulos and Gary Iacini.

Szehner and Shutz were the big offensive stars on the ground as they amassed 150 yards between them. Szehner scampered for 78 yards in 13 carries for a 5.2 average. Shutz traveled 72 yards in eight carries for a scintillating 9.0 average.

Wickersham and Cervelli split the passing heroics. The left-handed Wickersham hit on three out of seven passes for 46 yards and two touchdowns. End Rich McDonald was on the receiving end of both scoring aerials. Cervelli tossed five times, completing two, for 75 yards and one TD.

Balopulos, who performs all sorts of duties for coach Ray DeJong, was the tiger on defense. The 192-pound defensive end threw Camino players for losses time and time again. He also kicked two extra points, gained 24 yards rushing from his fullback spot and made one of the Warrior touchdowns.

Iacini, who has been injured a good part of the season, played a magnificent game. The stocky youth, who was a starter last year, has to be acclaimed one of the finest guards in the league. The Colts were unable to gain hardly any yardage through his side.

CSM Harriers Meet Stanford Freshmen

With two straight convincing Golden Gate Conference victories behind them, College of San Mateo cross country men head for two tough meets the end of this week. On Thursday, Berny Wagner's Harriers join Foothill, San Jose freshmen, and Stanford freshmen, and junior varsity in a two-mile invitational run at 4 p.m. on the Stanford course.

Following on Saturday, the Bulldogs host Foothill and Hartnell in a triangular meet at Coyote Point to start off the day's Homecoming activities at 11 a.m. The duel between Foothill and CSM will be a conference match and is expected to be close. Both squads have met common opponents and San Mateo has a slight edge on comparative times.

Monday, sophomore Dave Kamrar from Carlmont cemented his number one position on the Bulldog squad ahead of Woodside's Jim Huff in leading San Mateo to a 15-50 shutout of Oakland at Coyote Point. The Bulldogs put 10 men across the tape before the first Oakland runner finished.

Rained-Out Divoteer Open Reset For November 14

The seventh annual "Divoteer Open," which was washed out October 12, has been reset for Wednesday, November 7, at the Silverado Golf and Country Club at Napa.

The famed tournament is open to all Daly City residents. Billed by chairman Pete Markovich as "an annual day of fun in the sun"—a phrase which would have lost its truth if played on Columbus Day — the divot gathering will feature breakfast or lunch, dinner, green fees and prizes for the $15 entry fee.

The tourney, organized by Markovich, Frank Gigli and Judge Blum, will have three flights. Top prizes for low gross and door awards will be given.

Tee-off times are scheduled on a first-come, first serve basis. Any one who has a desire to play, contact Markovich at the Chomber of Commerce office, PL 5-2262.

Ben Franklln Falcons Dump Colma Trojans

Benjamin Franklin's Falcons hosted the Colma Trojans last Wednesday and defeated them, 26 to 0. Greg Agar was the game's outstanding player, as he caught four touchdown passes and one conversion in addition to making several other spectacular catches.

Benjamin Franklin started scoring early in the game. On the third play of the game, quarterback Joe Weinberg threw to Agar for the first touchdown, the play covering 40 yards. Weinberg also threw to Agar for the conversion.

The second touchdown was scored on another Weinberg-to-Agar pass into the end zone. The conversion attempt failed.

At the half, Benjamin Franklin led, 13-0.

In the third quarter, halfback Reed Rosenberg took a reverse from quarterback David Pucci and threw a 20 yard touchdown pass to Agar for his third of the day. In the fourth quarter, reserve quarterback Nick Buddea hit Agar in the end zone for the final touchdown of the day. Buddea threw a pass to Rosenberg for the conversion.

Jim Dennis was outstanding on defense for Benjamin Franklin by catching the Colma quarterback for losses several times in the game.

This afternoon (Wednesday), Benjamin Franklin travels to Brisbane and Colma hosts Alto Loma in South San Francisco.

At present, Alta Loma and Ben Franklin are tied for first place with one win and one tie, while Colma and Brisbane each have one loss.

SAFE PASSING

Never pass unless the road is straight and open and you can see quite clearly what is going on up ahead, advises the National Automobile Club.

Mrs. Enberg Tops Cypress Tourney

Mrs. R. B. Enberg was the winner of the Cypress Hills even-hole tourney last Thursday, when she toured the nine holes in a 42-11½—30½. Second in the class A division was Mrs. D. V. Begovich with a net 31½.

In the class B division, Mrs. J. E. Stauffer took the top honors with her net 35 over the rolling Cypress layout. Mrs. Henry Cayla was second with a net 37.

Mrs. Kenneth Ruepple blasted out a 43-18—25 to easily top the field in the class C division. Mrs. J. Reynolds and Mrs. A. Sereni tied for second place honors with low nets of 30½.

Judoists Named To All Stars

Two North County judoists have been named to an all-star team which will compete for all California championships this weekend.

It is the first time that judoists from this area have been so honored.

Named to a 25-man northern California team of the Judo Black Belt Federation are Willy Cahill and his uncle, Fred Cahill.

The match will pit 25 northern California's top judoists against an equal number from southern California.

Willy Cahill of South San Francisco is chief instructor of the Cahill Judo Academies of South San Francisco and San Mateo. He is the son of the late John Cahill, one of the nation's most respected of the sport, who died last summer, and who founded the Cahill Judo School.

Willy will compete in the 180 pound class. Fred Cahill of San Bruno is also a leading judo instructor and one of the top competitors in the heavyweight class.

Coaches for the northern team include Mits Kimura, highest ranking Black Belt in the United States, and Bill Montara of San Jose, the late John Cahill's first student.

The first regular match of the 1962-63 judo season will be at Palo Alto on November 4. The northern county judo team will host the big fall promotional tournament for about 300 judoists of all categories at South San Francisco High School on November 18.

Hole-In-One Puts Local Man In Line For Scotland Trip

A hole-in-one scored by Henry J. Foley of 966 Skyline drive, Daly City, may earn him a trip to Scotland for two and $1,000.

By getting his ace at the Presidio golf course, the Californian was entered in the national Old Smuggler hole-in-one sweepstakes.

The winner will be announced at the end of the year.

Between Games

by warren wynkoop

USF's basketball team is feeling the "press" from the National Basketball Association this year, but fortunately it's not affecting them in their own backyard. For the first time in Don history, three afternoon games are scheduled — two of them in the Los Angeles Sports Arena against UCLA and Loyola.

The Los Angeles games were switched to tea-time tip-offs because the Lakers previously sewed up the evening dates. Meanwhile, the other matinee is a Sunday affair in Spokane, Wash., against Gonzaga. But that's something Gonzaga has been doing since Bing Crosby was head cheerleader.

Chuck Hiller's mom was on her knees praying at the time her son hit the first grand-slam by a National Leaguer in a World Series. Mr. and Mrs. George Hiller were watching the game on the living room TV at Chuck's San Mateo home. When Hiller came to bat with the bases loaded, Mrs. Hiller, a devoted Catholic, excused herself and quietly retired to the bedroom. When she heard the screams, she knew her prayers were answered. Charles had just blasted the ball to Kingdom Come.

There hasn't been a game of baseball rained out in Los Angeles in three years. . . . Fiery lightweight Bobby Scanlon, who tried unsuccessfully for a broadcasting career, is making regular ring appearances in his adopted home of Sacramento. Bob's younger brother is out here from Boston and Bobby calls him his manager.

Tennessee Ernie Ford raalized an old ambition to be a sportscaster recently when he did the Hillsdale-Campbell High TV game on Channel 7. . . . Roy Story, the San Francisco Seals ice hockey team's public relations man, was once the radio voice of the 49ers. He beamed the games about six years ago, then took a sports director's job in Los Angeles.

Point of Interest: Outdoor sports attractions such as pro baseball, football and horse racing are the only sports that out-drew auto racing, which attracts an average of 20,000 per meet in Northern California.

—★—

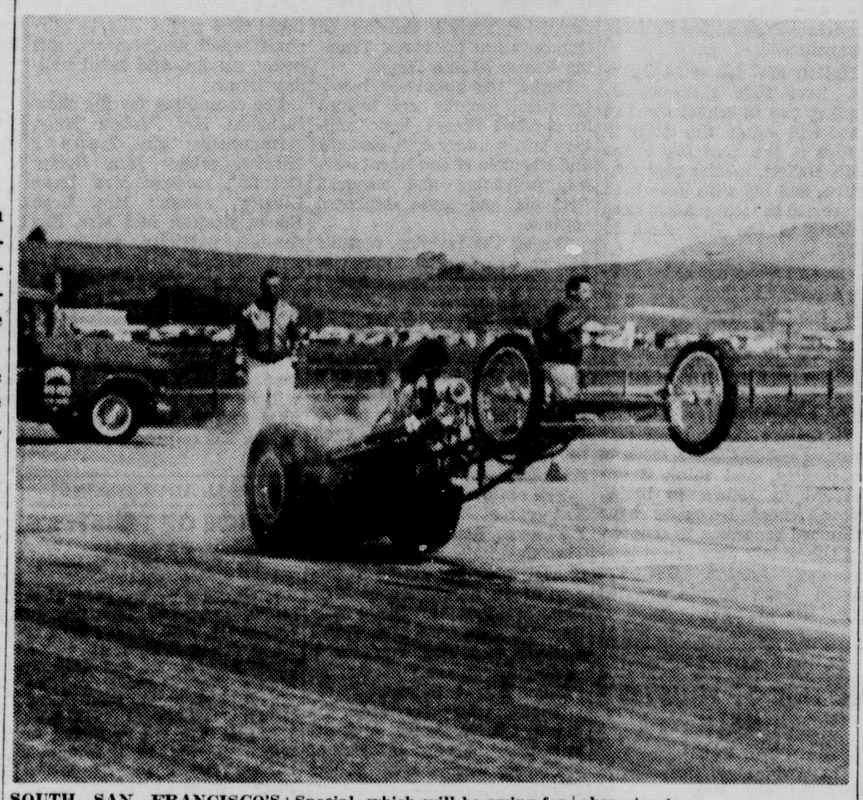
One big difference between the ice rink at the Cow Palace and one in the National Hockey League, is that "big league ice" is like glass and the puck slides more smoothly than here. Eastern writers covering the World Series watched the Seals play Portland during baseball's rainy-day session. The first thing they noticed was that the ice wasn't smooth. Because of this, the writers claimed, the stickwork and passing wasn't as polished.

The Seals have attained the services of a young, impetuous Canadian named Larry McNabb, who has the heart of a lion, hands of a surgeon and speed of an antelope. Coach Bud Poile claims that he could be a star in any league if he would "just learn to control his temper." . . . You hardly ever see a long punt return any more. It used to be one of the most exciting plays in th game. But ever since the introduction of the spread formation (by the kicking team) the play seldom awards even a talented runner a decent run back.

A few weeks back, Miami University of Ohio stunned the football world by upsetting Purdue of the Big Ten. The score was 10-7. So we checked into the school's gridiron background and found that Miami of Ohio has produced four brilliant coaches — Army's Paul Dietzel, Jack Faulkner of the Denver Broncos and Northwestern's Ara Parseghian. Then, there's Cleveland's Paul Brown.

Great Moments in Sports — 1957: Jackie Douglas takes over first string quarterback spot at Stanford, replacing John Brodie. Joe Shea paces Indian rushing attack. . . . Oregon goes to Rose Bowl, but loses 10-7 thriller to Ohio State. Ron Stover of the Ducks grabs 11 passes from Tom Crabtree to set a Bowl receiving record.

Dragsters Vie For Half Moon Bay Title



SOUTH SAN FRANCISCO'S Sammy Hale moves off the line in the Champion Speed Shop Special, which will be vying for honors this Saturday and Sunday at the Half Moon Bay championships.

With the Grand Prix for sports cars at Laguna Seca out of the way, the spotlight in the auto racing world switched from the little cars to the powerful dragsters.

The highlight of Northern California's drag racing season takes place this weekend when the Half Moon Bay drag strip holds its eighth Annual Fuel and Gas championships on Saturday and Sunday, October 27 and 28.

The nation's fastest dragsters and stockers will convene on the Half Moon asphalt this weekend to vie for the more than $5,000 in prizes and awards being offered.

Half Moon Bay drag strip officials expect perfect weather to greet the many participants and fans. The strip is located 26 miles south of San Francisco on Coast Highway No. 1.

Saturday, October 27, will be a day reserved for time trials with special Eliminator races Saturday night. Sunday will be the usual time trials during the morning with eliminations starting at 12:30 p. m.

Already entered in the championship event are:

The Champion Speed Shop Special from South San Francisco, California's speed champion of 1962 and also the number two car in the nation. Piloted by its talented driver, Sammy Hale of South San Francisco, the dragster is returning from last week's world championships in Houston, Texas, where the speedster barely missed being crowned the world's champion dragster.

Also included in the array of top mechanical stars will be the world speed record holder in the quarter mile, the Master & Richter Special from San Leandro with Bob Haines at the wheel. The dragster recently grabbed the world's title with a clocking of 189.99 mph in the quarter mile. Paul Potter of San Francisco, in his supercharged Chrysler with speeds of 180 mph, Garry Card of El Cerrito, super-charged Chrysler, 180 mph.

As extra special highlight, the championships will present the top stock cars in the nation in special matched competition on Saturday night and Sunday.

Leading the list will be the National Stock Car champion, Hayden Proffit of Los Angeles in his 1962 Chevrolet with speeds of 118 mph, e.t.'s in the low 12 seconds. Gas Ronda of Oakland in his 1962 Ford. The Melrose Motors racing team with Tommy Grove at the wheel, plus many, many other famous racers from all over the country will participate.

Championship trophies will be awarded in all classes Sunday afternoon.

This event will be sanctioned by the National Hot Rod Association.

Gates open Saturday at 12 noon, eliminator races at 8 p. m. Gates open Sunday at 8 a. m., eliminations at 1 p. m. Plenty of free parking, ample grandstand space and concessions are available.

PAL Vikings Edge Twisters, 19-13

The PAL Vikings sailed into the OLPH Twisters last weekend and weathered the storm for a 19-13 victory. Joe March came up with the first Viking TD on a eight-yard run. Second score came when Ron Hackett faded back and hit Tom Belvin on a 45-yard pass and run combination. The game-winning TD came when Belvin scampered 70 yards on a kick-off return. OLPH made the Vikings fight all the way for the win.

Dana Marcos starred for the PAL Foresters as they edged the Holy Angels Colts, 26-24. Marcos teamed up with Paul Romer on two TD passes and interrupted a Colt pass to ramble for a third. Tom Orlich picked off another Colt pass for the final Forester score. Ed Vasile chalked up two TDs for the Colts, while Graham and Holmes scored one each.

Stumble Inn Tips St. Clair Liquors In Adult Softball

The Stumble Inn adult softball team, behind the pitching of Del Underwood, defeated St. Clair's Liquors, 18-5, at Westlake Park, Sunday, October 21. This win enables Stumble Inn to play for the championship of the 1962 Daly City Recreation Department's Softball League with the South San Francisco Native Sons.

CSM Hosts CCSF In Homecoming

Homecoming festivities at College of San Mateo this week focus on Saturday afternoon's traditional clash with City College of San Francisco. Kick-off is at 2 o'clock at San Mateo High School.

CCSF is now CSM's oldest rival. Other long-time Big Eight and Northern California Junior College conference members are now members of the Valley Conference. The Rams have won 14 games in the series, while San Mateo has taken but seven.

However, since Doug Scovil and Cliff Giffin took over the reins at San Mateo in 1958, the Bulldogs have won three games and tied one by consecutive 20-12, 56-14, 14-14 and 22-6 scores.

The "Tom-Tom" trophy, initiated in 1946, will also be at stake. The Rams held the trophy the first three years of the competition and CSM took it only once during the first 11 meetings. However, San Mateo has retained the Tom-Tom the past four years.

CSM's newest rivalry began on a somber note last Saturday night at Southern Peninsula neighbor Foothill College. The Owls came from behind to tie the game at 20-20 with 7:38 left in the game and then found victory as John Travis intercepted a Rick Norman aerial on his own 30 yard line and sprinted 70 yards to pay dirt with 30 seconds remaining in the contest for a 27-20 triumph.

The loss marked the end of San Mateo's 12 game winning streak, longest among California's junior colleges. Pasadena beat invading CSM last, 12-7, in their 1961 opener. The Bulldogs also had an 18 game victory streak in conference play dating back to Contra Costa's Big Eight Conference win in mid-1959.

A standing room only crowd of 4,200, the largest group to ever witness a junior college football game on the San Francisco peninsula, watched the thrill packed game, and, although many were disappointed with the outcome, they had little more to ask for in the line of excitement. Former San Mateo football and track coach Del Fishback rated the match one of the best junior college games he had seen in his long association with the sport.

However, Travis, a 6-1, 193 pound freshman halfback from Los Altos High School, was more than the margin of difference in the game. He caught a 35 yard pass from Owl quarterback Steve Moreno to set up the first score against San Mateo in three games, produced Foothill's 20th point to tie the game with 7:38 left on a quick 21 yard dash up the middle, and in all gained 76 yards on six quick dashes for a 12.0 average.

San Mateo appeared on its way to victory in the contest twice in the last quarter before the Travis wrecking machine moved into high gear. Taking over with a Foothill punt on their own 45 at the beginning of the final period, the Bulldogs needed but five plays to take a 20-14 advantage with 11:54 to go.

Mark Moritz, a soph from Hillsdale High School, brought down a 32 yard Norman aerial in the end zone between two defenders for the score and duplicated the feat on the successful PAT attempt.

But the Owls marched right back after the ensuing kickoff was downed on their own 26. Fullback Dough Schoenwetter and Moreno worked for eight plays to the Matean 21 before Travis took off for the end zone. Capuchino's Walt Wenger led the inspired SM line in blocking John Buck's conversion kick to keep the score knotted.

Victory appeared within the grasp of San Mateo and no less than a final tie seemed probable but two plays later Travis made his interception for the Bulldog bubble burster.

San Mateo completed a 63 yard drive in eight plays after Foothill's initial score to close to 7-6 on a one yard sneak by Norman.

Four plays later, John Scott from Woodside stole a Foothill fumble on the opponent 43 and the Bulldogs were marching again, led by Claude McMillen.

The drive fizzled on the 29 but the Owls revitalized the drive by losing 12 yards on two plays and then fumbling the ball to Moritz. McMillen brought the ball to the 12 and Hamel got the rest on 10 and 2 yard scampers for a 12-7 lead.

"Most of our kids played a good game," offered Scovil after the loss. "It was a heartbreaker and we'll have to come back. We'll be ready for San Francisco."

Despite the loss, San Mateo will rate a slight favorite over the Rams Saturday afternoon. CCSF was knocked out of the Golden Gate Conference lead by undefeated Contra Costa last Friday afternoon, 12-0, and now holds third place at 2-1. Foothill and the Comets are both "perfect" at 2-0 in league and 4-0 overall and ride respective five and seven game victory strings.

This year, under new coach Art "Dutch" Elston, former Mission High School mentor, CCSF has downed Los Angeles Valley, 22-6, lost to powerful independent Phoenix, 32-0, and downed Chabot, 12-7, and Oakland, 12-0, in GGC play.

San Francisco's forte is defense where they lead the conference with a 188 yard per game average. San Mateo is only three yards back at 191, however.

Offensively, though, the Rams are struggling along at a 198 per game yardage while San Mateo leads the league at 279.

CCSF has a one man offense in halfback Ron Coleman, a 5-8, 175-pound sophomore, former All-City from Washington High School, who has a commanding lead in conference rushing statistics with 343 yards on 63 carries for a 5.44 average.

Elstoh lauds Coleman's defensive ability, also, and is high on his defense line led by middle linebacker Dennis Drucker, St. Ignatius All-City performer and tackle Jack Burgett. Others are left end Ernest Oliver, left linebacker Gearge Benkie, and right end Mel Tom.

PAL Eagle Gridders Dump HA Lions 25-6

The PAL Eagles justified their coach's prediction that they are the team to beat in the Fifth-Grade League. They did this by sinking their talons into the Holy Angels Lions Saturday, 25-6.

Eagle defensive men started off the scoring by pressuring the Lions into fumbling the ball over their own goal line for an automatic two points. Defensive star Gary St. Clair caught the Lions' tailback behind his own goal on the Lions next series of downs for two more points.

The offensive guns started off at this point. Larry Belfridge rambled over for six, then passed to Russ Frederico for the extra point. At the opening of the second half, Tom Vasile took the kick-off and went 80 yards for a Lion TD. It was a great run but only sparked the Eagles on to greater efforts. Russ Frederico carried the ball for the next Eagle score. Larry Belfridge carried over for the PAT. Frederico then took to the air and hit Carlos Garcia for six. The Eagles again called on speedy Larry Belfridge to carry over the extra point.

The PAL Indians took the sting out of the OLPH Hornets, 18-0, this week. Jerry Mahood started off the scoring with a 42-yard run as he intercepted a Hornet pass. Teammate Vince Haymaker duplicated his feat with a 60-yard run and interception. Final score came when Mayhood passed 26 yards to Haymaker for the TD. The Hornet offense was smashed by the outstanding line play of Don Proctor, Garry Garcia, Mark Batai and Tim Tomasello.

BUS DRIVING IN AFRICA

If you ever happen to be driving in certain parts of Africa and your car or truck develops a thumping or a brake that slips, forget about it, don't get out and get under.

A bus driver out there just a few months back, reports the Natiional Automobile Club, got out and got under to adjust a brake or two. While he was under, along came a hungry lion and a hungrier lioness. The lioness saw the driver under the bus, decided that the driver might make a tasty morsel, charged in after him, and made a mighty snap.

The bus driver, however, had been warned by the screams of his passengers. He made it to safety in his cab and drove off shakily across theveld.

Returning to the spot a little later, he found the lione dead. Seemed she had impaled herself on some protruding metal spike under the bus. This time the driver drove off triumphantly, with the giant tawny carcass proudly displayed atop his lion-killing bus.

It's SPARE TIME

at Westlake Bowl

By JIM GREALISH

The bowler of the week had to be Rich Kindervag for his 278 game and 675 series in the 915 All-Stars League. He had plenty of competition from Chris Perini 644, Hal Antrim 618, John Bussey 609, Larry Mar 605 and Bob Johnson 600.

Bess Marston has served notice on husband, Joe, that there will be a little competition for the bowling championship of the household. In the 99'ers Mixed Fives League last week, she shot a 201 game and 559 series.

A new leader took the limelight in the Daly City Employees League as Steve Demetresch posted a 234 game and 583 series.

Don Chism would like to borrow two pins from some one to qualify him for membership in the 600 Club. In the Westlake Classic last week he shot a 208 game but ended two pins short with a 598 series.

Another bowler who was a few pins short was Tom McGee as he led the Sleepers League with a 210 game and 597 series.

Bunny Low was the brightest of the Starlighters last week as she registered a 209 game and 515 series.

The Evening Stars League continues to register top scores. This week it was Helen Nelson with a big 257 game and 564 series. Other 500 series were posted by Doris Cunningham, 516; Audrey Larcher, 547; and Anne Ikler, 515.

The pins were flying in all directions Friday night in the Jackpot Sweeper as Rick Dreier took first place with 626. During the Sweeper, Al Balletto made five consecutive strikes for a 256 game, while Frank Mezzanotti ran a string of nine strikes for the same 256 total. In the Jackpot Roll-off, Vic Drago defeated Rick Dreier three strikes to two to retain his King of the Hill title. The Jackpot now stands at $225.

Doris Cunningham and Bob Hallbeck led the scoring in the Friday Mixed Fours as Doris shot 180 and 493 while Bob had a 198 and 555 series.

Reservations are coming in fast for the Halloween Hi-Jinks on November 3. With prizes for best costumes, it is expected that bowlers will go to great extremes to find suitable outfits.

Rogers Gillmore missed his 200 game by one pin but still shot a 579 series to lead the Golden Gate Handicap League.

The B'nai B'rith League has another 600 Club member as Bob DiRicco shot a big 239 game and 619 series.

Principal Amt.	Maturity Dates December 1st,
$ 50,000.00	1964 to 1973, both inclusive
$ 90,000.00	1974 to 1981, both inclusive
$105,000.00	1982 and 1983.

PAYMENT: Both principal and interest payable in lawful money of the United States, at the office of the County Treasurer of said County.

REGISTRATION: Coupon bonds will be issued by said Board of Supervisors on behalf of said District. Such bonds are registrable only as to both principal and interest.

PURPOSE OF ISSUE: Said bonds were authorized by more than two-thirds of the voters voting at an election held in said District on FEBRUARY 7, 1961, and will be issued and sold for the purpose of raising money for authorized school purposes.

SECURITY: The bonds are general obligations of said District, and said Board of Supervisors has power and is obligated to levy ad valorem taxes for the payment of said bonds and the interest thereon upon all property within said District, subject to taxation by said District (except certain intangible personal property, which is taxable at limited rates), without limitation of rate or amount.

TAX EXEMPT STATUS: In the event that prior to the delivery of the bonds the income received by private holders from bonds of the same type and character shall be declared to be taxable under any Federal Income Tax laws, either by the terms of such laws or by ruling of a Federal Income Tax authority or official which is followed by the Internal Revenue Service or by the decision of any Federal Court, the successful bidder may at his option prior to the tender of said bonds by the Board of Supervisors, be relieved of his obligation under the contract to purchase the bonds and in such case the deposit accompanying his bid will be returned.

LEGAL OPINION: The purchaser will be required to furnish his own legal opinion as to the legality of said bonds.

TERMS OF SALE

HIGHEST BIDDER: The bonds will be awarded to the highest responsible bidder or bidders considering the interest rate or rates specified and the premium offered, if any. The highest bid will be determined by deducting the amount of the premium bid (if any) from the total amount of interest which the District would be required to pay from the date of said bonds to the respective maturity dates thereof at the coupon rate or rates specified in the bid and the award will be made on the basis of the lowest net interest cost to the district. The lowest net interest cost shall be computed on a 360-day year basis. The purchaser must pay accrued interest from the date of the bonds to the date of delivery. The cost of printing the bonds will be borne by the district.

RIGHT OF REJECTION: Said Board of Supervisors reserves the right in its discretion to reject any and all bids and to waive any irregularity or informality in any bid.

PROMPT AWARD: The Board of Supervisors will take action awarding the bonds or rejecting all bids not later than 24 hours after the expiration of the time herein prescribed for receipt of proposals; unless such time of award is waived by the successful bidder.

PROMPT DELIVERY: Delivery of said bonds will be made to the successful bidder at the office of the County Treasurer of said County as soon as the bonds can be prepared which it is estimated will be within 30 days from the day of sale, but not prior to the date of the bonds.

RIGHT OF CANCELLATION: The successful bidder shall have the right, at his option, to cancel the contract of purchase if the bonds are not tendered for delivery within 60 days from the date of sale thereof, and in such event the successful bidder shall be entitled to the return of the deposit accompanying his bid.

FORM OF BID: All bids must be for not less than all of the bonds hereby offered for sale, and for not less than the par value thereof and accrued interest to date of delivery. Such bids, together with bidder's check, must be enclosed in a sealed envelope addressed to the Board of Supervisors of said County, and endorsed "Proposal for School Bonds of JEFFERSON UNION HIGH School District, of SAN MATEO County."

BID CHECK: With each bid must be submitted a certified check or cashier's check for $5,000.00, drawn on a bank or trust company transacting business in the State of California, payable to the order of the County Treasurer, to secure said District from any loss resulting from the failure of the bidder to comply with the terms of his bid. In addition bidders are requested (but not required) to supply an estimate of the total net interest cost to the District on the basis of their respective bids, which shall be considered as informative only and not binding on either the bidder or the District. Checks of the unsuccessful bidders will be returned by the County Clerk by mail, upon the award of the bonds. No interest will be paid upon deposit made by the successful bidder.

There is no controversy or litigation pending or threatened concerning the validity of the above issue, the corporate existence of said District, or the title of the officers to their respective offices.

Dated: October 16, 1962.

Rafferty Chairman In So. San Francisco

Harmon J. Hallett, of 75 Calvert avenue, has been named chairman of the South San Francisco Parents for Rafferty Committee.

Hallett and his wife, Patricia, have four children, including two in school and two who will enter the primary grades in the next few years. Both Hallett, a sales representative, and his wife have been interested in local schools since coming to the Bay Area in 1952.

"Even before my older children reached school age," said the eastern-educated Hallett, "I started taking a long, hard look at the California school picture. Frankly, I'm pretty discouraged with much of what I have seen.

"I believe the present permissive systems leave much to be desired, and think it important to return to basics. Some school boards have launched programs to counteract the widely discredited 'progressive' system. But I'm afraid these boards are too few," Hallett said.

CUB PACK 259 NEWS BRIEFS

Saturday afternoon, October 20, was the time and Benjamin Franklin multi-purpose room was the place for the annual Pinewood Derby for Cub Pack 259.

Cubs and their fathers make their cars to strict specifications and all cars are weighed in before the race. Excitement runs high, and the cars are carefully guarded against mishap.

Pack winners were: Roger Mattson, first; Patrick Meade, second; Steve Mazza, third. These boys will compete on Saturday, October 27, against winners from other packs in the area.

Winners from the various dens in Pack 259 were as follows: Den 1, Roger Mattson, first; Tim O'Brien, second. Den 2, Steve Mazza, first; Danny Proctor, second. Den 3, Steve Peters, first; Mike Peters, second. Den 4, Toby Kasavan, first; Mike Coker, second. Den 5, Patrick Meade, first; John Heissenbuttel, second. Webelos, Ron Shapansky, first; Ed Swanson, second.

Fall Meeting

The first fall meeting of Cub Pack 259 took place on October 12 and campfire ceremonies were featured. Cubmaster Sal Scaduto and Chief Teepee (Bill Proctor) welcomed nine boys to the campfire who wished to join Pack 259. Bobcat pins were presented to Herbie Henderson, Calvin Courtney, Steve Peters, Bruce Watts, Steve Paras, Patrick Meade, John Heissenbuttel, Steve Gomez and Sandy MacDonald. All Cubs then joined the new Bobcats in giving the Cub Scout Promise.

Chief Teepee welcomed a group of young braves to the council of the Webelos, which is the highest rank in Cub Scouting. These braves will learn their Boy Scout requirements in this group. The boys are Ron Shapansky, Ed Swanson, Don Shotts and Vince Haymaker.

Graduation ceremonies held our interest as Ed Dividian received his graduation certificate and achievement plaque from Cubmaster Scaduto, and was then greeted by Scoutmaster Bugler of Troop 343. Good luck in Scouting, Ed.

Cubs came in turn to the campfire for awards:

Lion Awards: Ed Swanson, Mark Fontana; Gold Arrow on Wolf, Randy Bushner; Gold Arrow on Bear, Max Bushner; Gold Arrow on Lion, Mark Fontana, Ed Swanson; Silver Arrow on Wolf, Steve Scaduto, Roger Mattson, Ed Cohen (2), Randy Bushner; Silver Arrow on Bear, Tim Orton, Mike Peters, Mike Coker, Max Bushner; Silver Arrow on Lion, Ed Swanson; Denner Stripe, Mike Peters.

Assistant Denner Stripe: Eugene Baraona; Webelo Sleeve Badge, Ron Shapansky, Ed Swanson, Don Shotts, Vince Haymaker, David Goldman, J. Weiner; Arrow of Light, Ed Dividian; One-Year Pins, Tim O'Brien, Roger Mattson, Steve Scaduto, Eugene Baraona, Eric Weintraub; Two-Year Pins, Mike Cestone, Jim Espoto, Steve Mazza, Mike Coker, David Goldman.

Colma Chairman For Nixon Named

Wallace Honeywell has been appointed Colma community chairman for the Richard Nixon campaign, according to an announcement by Eugene J. Brenner, San Mateo county chairman for the campaign.

In accepting the appointment, Honeywell observed that "all of us are most certainly interested in Mr. Nixon's plans for a team of the best executives and technicians. Today's government must be run along modern lines; Mr. Nixon will provide us all with this kind of government."

Westmoor Lights On NPL Win Spree

Westmoor High School's fabulous lightweight teams appear headed for a championship season. Both the 110 and 120 cagers have rattled through four straight opponents to date, with nary a loss, to top the NPL lightweight loop.

Last week the locals annexed three victories each as they thumped El Camino, Jefferson and South City. Last Friday the Ram 120s bounced El Camino's hopes out the gym door as they scuttled the Colts, 43-21. This time it was Jim Fair leading the assault, as the youthful cager scored 17 points through the nets and set up other two-pointers. Both Ram teams are now 4-0.

Other outstanding players were Joaquin Andrade, John Putman, and Steve Zarate. Each scored 12, 11 and two, respectively. Zarate showed exceptional ball handling ability.

Although the score was 17-16 at half time, the Ram cagers were never seriously contested after the opening moments of the second half.

Scoring frequently and consistently, the Ram 10's also swamped El Camino. Once again it was a team victory. The scoring was handled by Roger Foss, with 10 points, and Ken Liss with nine. Every starter did his job as a rebounder and ball handler.

El Camino was simply outmanned. Each time they would get close, Foss would hit a shot from the base line or Liss and his mates would come up with a defensive gem.

In other action last week the Ram 110 and 120 cagers dumped South City's Warriors, 30-24 and 39-31.

The 110 hoopsters never trailed their opponents, as they led, 19-12, at the half and 21-17 in the third quarter of play. Leading the Rams were Craig Castro, who scored 8; Ken Liss with 7, Roger Foss 6, Bob Rubin 4, and Dan McGowan with 2.

In the second game the 20's scored 39 points to defeat South City, and for the first time in three league games, did not score over 40 points in their victory. The 20's, just as the 10's, were never behind, leading 27-20 at half time.

They were led by John Putman with 14 points, Joaquin Andrade with 12 points and Jim Fair with 9. Rounding out the scoring was Steve Zarate and Tom Parker, who had two points apiece.

In the Jeff game, it wasn't easy out Westmoor High's 10's and 20's swept the doubleheader.

In the first game, Westmoor had a lot of trouble with Jeff. Trailing throughout the game, the Indians never gave up and finished within two points of the Rams at 24-22.

Ken Liss again led the 10's with a total of 10 points. So far, Ken holds the record in just about every department for the Rams this year.

Dan McGowan and Roger Foss turned in great defensive games for the team which is so far undefeated in league play.

Scoring frequently, the Ram 20's were never in serious trouble after the opening moments.

Joaquin Andrade led the Rams with 12 points, followed by John Putman with 10. Once again, Jim Fair was instrumental in the victory. The exceptional ball handling by Fair is proving tough on opponents.

CASTLE LANES STRIKES 'N SPARES

Don Baken led his Foremost Dairies to two victories over the Hoffman Plumbers to go into a first place tie in the Ken Bailer Classic.

Joann Scheper in the Tuesday morning American League had a 166-177-163 for a 506 series while Dolores Menconi had a 502 series in the National League.

The October issue of the National Bowlers Journal carried a story on "Tomorrow's Bowling Headlines." They had a picture of a Castle famous former "King Pin." Ken Mogan, who is 17 years old and bowled on one of the outstanding A. J. B. C. groups in the country. Ken carries a 187 average.

The 600 Charm Circle was broken when Lucille Greenbalgh shot 190-188-235 for a big 613 series, for the Clearlite Trophy team in the Ladies Invitational League. Lucille's team won three games from the Star Motel. Mary Taylor, also on the beam, wasn't far behind Lucille as she posted scores of 179-217-179 and a 570 series. Mary's Grant Bros. won two games from L & L Castle Lanes. Elena Salvo led Awards Unlimited to two wins over George's Liquors. Cordova Market, with Mary Krammer at the helm, won two games from Selix Formal Wear.

Bay Area Classic

John Urone, with a brilliant 684 on games of 215-236-233, led the Transit Smoke Shop to a three game sweep over the Concord Bowl to drop the North Bay keglers out of the top spot.

Charlie Bergin, bowling for the 12 Mile House in the Southern Pacific League, had full steam ahead as he shot 193-186-235 for a big 614.

Thursday Hi L had Cliff Widell as the tri king with a 187-201-190 for a 578. The Thursday Night Invitational League had a great night with the whole league averaging 800. The girls had seven 200 games and fifteen 500 series.

Cleo Harris led the league with 180-163-227—570. The other big scores were May Morales when she over-powered the pins for a 181-224-159 and total of 564. Then came Elena Salvo with 555 and Mickey Biggio and Trudy Greene both scoring a 539 series.

The rumors have it that Castle Lanes will be honored with another national tournament.

Last week it was sunshine, the week before it was rain, and this week Daly City is safely enclosed in a fluffy white tomb of fog.

Late Sunday night the soft white blanket pushed its way over Westlake and down into Mission street, splashing its white breath softly over the city, missing nary crack nor corner, leaving us a dismal Monday morning.

But despite the fog, early Monday morning at the office always seems to get us down. First of all, Monday morning is perhaps the hardest morning in the world to get untracked. The dazzle and the fun of a brilliant week-end always seem to be still spinning in our head when the Monday alarm blows its whistle. To top it off, the week-end always seems to take its toll on our strength, despite the fact that we could sleep most of the day.

But we aren't the only ones who come to work dragging on Monday. As we gaze out our window at the Top of The Hill we see lots of people—big, thin, fat, skinny, short, tall, pretty and not-so-pretty—all trudging towards busses, cars, offices with grimaces of effort deeply chisled into their brows.

Even the Muni-buses from Mission street seem to be lacking the vitality which is prevalent on other days of the week.

The big green and cream buses loom around the corner, and pull up for a rest at San Jose avenue, bank their well-worn wheels to the curb, and heave a few sighs of exhaust. The passengers wearily board the coach, taking one step at a time, lacking the briskness which is usually instilled in them.

Even the typewriter keys seem to offer more resistance on these early Monday mornings. We have to stop and rest every few minutes, taking sips of black coffee to sustain us through the morning.

Fortunately by 12 noon, most of the people, the buses and even our fingers have fallen back into the groove of week-day drudgery. The haziness takes leave of our brain and the week-end sleepers fall out of our eyes.

Everything starts operating in a brisk, syncopated manner, and we know that the week has arrived.

And it doesn't seem so bad after all, that is if we can make it to that Monday noon point-of-no-return time.

But if you can't quite hack it, go home, go to bed and start again Tuesday morning—and you will beat that early Monday morning transitory period which makes us all wonder if it is worth it.

Certainly one of the finest looking High Schcools in the area, or all of California for that manner, is Oceana over in Sharp's Park. The beautiful High School, designed by Mario Ciampi, is a true work of art and one in which the Jefferson High School District can be proud of. Incidentally, the vice-principal at Oceana is youthful Bob Watts, who used to be track coach at Jefferson.

Shades of the Old West. Two San Mateo County deputy sheriffs answered a call the other night, and thought that they had regressed to the era of their wild west ancestors.

The two well-equipped deputies were unable to use any of the their usual gear—gun, nitestick, resuscitator, stretcher, ect. Instead they had to get a rope and lasso the villian—just like Wyatt Earp did.

Their culprit was a horse who had escaped and their job was to capture it—which they promptly did.

7-Year-Old Wins Top Award For Rifleman

The Expert Rifleman Medal, second highest award in American qualification shooting, has been won by seven-year-old Brian Luster, 362 Higate drive, Daly City, the National Rifle Association announced in Washington, D. C., this week.

Shooting several hundred targets in the past few months, the new expert marksman fired his way through 13 lower NRA qualifications to achieve his new high rating. With one more set of targets to fire, the new expert will up his rating to Distinguished Expert Rifleman, the select top qualification rating for the shooters of the nation.

Brian attends the second grade at Thomas Edison School in Daly City. His father, Clifford Luster, was an aerial machinegunner in World War II and is a division plant safety supervisor for the Pacific Tele-Telephone Company, San Francisco.

METALLIC SHEATH is modeled by Lucile Molise at Tuesday fashion show now held each week by The Fashion of Westlake from 12:30 to 1:30 p. m. on Tuesdays at the Bunker Room of the Cypress Hills Golf Course. The fashion coordinator is Sarann Daly.

town talk

By JACK WOOD

QUALITY IMPORT — Helena Frisell, a 17-year-old blue-eyed blond from Stockholm, is probably one of the best imports from Sweden which Daly City has seen in a long time.

A senior at Westmoor High School, Helena is Daly City's first foreign exchange student. Her American home this school year is with the Ben Wagner family at 1063 87th street.

Imagine Helena, fresh with ideas of California sunshine, arriving here in August in a dense fog. "It was so foggy I couldn't stand it. I was so disappointed."

The compact cities of Sweden, the castles, old homes, green fields, lakes and dark woods of her native country are quite a change for this young woman—but she wouldn't have it any other way. As she put it, "I think it is good to go to entirely different surroundings."

Helena talked of going to dances in castles — of skiing and ice skating all winter long — and of classes.

In Sweden, students are required to take 14 courses per week and also attend dances on Saturday. At Westmoor, she takes six subjects per week. The schedule over there is more rigorous. The students in Sweden, she said, also appear more mature.

"The girls here wear socks. They usually wear nylons and high heels in Sweden. And the boys here dress more casual. The boys back home, she said, dress in suits and ties. However, the girls, can either dress "really sloppy" or formal.

Life in Stockholm, although more strict in some ways, in that students must obey their parents and classwork is heavier, is also more free, she said. Students may stay out at night or weekends and not have the curfew hour set at midnight such as is the case for many girls in the states.

"You can stay out past 1 o'clock on Saturday nights," she added.

In Stockholm, she said, it's quite accepted to walk wherever you are going, instead of driving a car like in America — and people also ride bicycles quite a lot.

Another thing she thought amusing about Americans is that they like to buy new houses, whereas in Stockholm, persons were proudest if they owned a very old home.

Helena's family home dates back over two centuries. There are many castles in Sweden and one section of Stockholm, which is built on a lake, is still preserved as it was in medieval times, with tiny, winding streets, and sections of water stretching everywhere.

The opera house is open the year around.

Church is not as well attended in Sweden as in the United States, she said. Helena said only about three and one-half percent of Swedes go to churrch. State religion is Lutheran.

Helena will leave suburbia for Stockholm next June after she graduates. At that time she will join thousands of other exchange students for a tour of the United States.

Pacifica Art Guild Show Winners Named

The popular choice by the vote of the visitors was won by Sherri Thomas for a dramatic oil painting of a storm and shipwreck entitled "The Heaven's Broke."

The painting matched the vicious stormy mood of the weather the October 13 and 14 weekend but nevertheless there were about 500 people who attended the show despite the flood conditions.

The Esther Bergstrom Memorial Award chosen by popular vote of the members of the Art Guild of Pacifica was won by Louis Hays for his forceful oil painting entitled "Winter World." This painting also won first prize awarded by the panel of artists invited to judge the show. The second award went to Luther Spraker for his enamel abstract entitled "Quiet Sea-Deep Water." The third award was for a mosaic done by Vida Trout entitled "The Swans."

The show was of a very fine quality generally and the judges also gave several honorable mentions. They said there were many other works in the show of equal quality but they were constrained to limit their choices. Nevertheless there were ten honorable mentions awarded the following artists: Otis Strong, Thalia Lamphear, Lucille Kent, Virginia Podesta, Keith Kratz, Ruth Rosengard, Rodney Clark, Sidney Clark, Edwin Robinson and June Alley.

Pacifica Firemen Benefit Dance

The annual Pacifica Fire Department Widows and Orphans benefit dance will be held Saturday, November 10, from 9 p.m. to 1 a.m. at the House of Parties, 22 Hillcrest drive, Daly City.

Proceeds from the affair will help pay the insurance costs for the Widows and Orphans Fund. Tickets may be purchased from any Pacifica fireman.

Dancing will be to the music of the Frank Catalano orchestra.

Gov. Brown Lauds Boat Championships

California's Governor Brown added his voice to the host of western leaders acclaiming the Salton City 500-Mile Boat Race for gaining a top spot on the nation's sporting calendar.

Gov. Brown, in a proclamation from his Sacramento office, wrote: "It is a great pleasure once again to greet both those in competition and those in attendance at the Second Annual 500-Mile Boat Race in Salton City on November 10 and 11.

Jules Verne, in his book "From the Earth to the Moon," fired three men and two dogs from Cape Canaveral, Florida, in a rocket aimed at the moon.

A Gingerbread Story

The story of the Little Gingerbread Boy provided the motivation for a baking experience in Mrs. Klaisner's first grade class at Colma K-6 School.

After reading the story in their books, the class decided it would be fun for them to make gingerbread cookies. Lengthy discussion and planning were necessary before the actual baking was performed. The children learned many things regarding baking of foods.

Measurement of the ingredients were discussed and a cupful and a tablespoon were shown and compared. Utensils necessary for successful baking were displayed and their purposeful use discussed.

Each child had a turn mixing the ingredients and each child cut out his own gingerbread boys. The children decorated the cookies with currants for buttons, gumdrops for eyes, nose and mouth, and additional colorful gumdrops were shoes, neckties, etc.

The cookies were baked in Mrs. Klaisner's electric frying pan in the classroom. Kim Costalupes supplied the cookie cutter. Miss Margaret Brant, student-teacher, assisted the "bakers" in making the gingerbread men. A story from a book became a real experience for the boys and girls.

Edison Class "Sails" To Spice Islands

Miss Elizabeth Johnson's fifth-grade class at Thomas Edison School spent an enjoyable and enlightening afternoon touring the plant of the Spice Islands Corporation in South San Francisco.

This field trip was an enrichment activity related to their Social Studies unit, "The Explorers."

During their tour through the plant the students observed the processing and the packaging of many spices which played an important part in the struggle for colonies during the age of exploration and discovery.

A discussion of the important use which spices serve in preserving fresh meats and other foodstuffs enabled the pupils to understand the motives which sent the early explorers on perilous journeys to strange and far-off lands in search of the "magic" herbs.

The romantic and exotic-sounding names of spice islands (Zanzibar, Jamaica, Borneo and Java) undoubtedly aroused some curiosity, interest and wonder in many young minds.

Fernando Rivera Grade 6 At News-Call

Last Thursday was an exciting day for Mr. Luppino's sixth-grade class. They went to the San Francisco News-Call Bulletin, where they were shown the different departments of the newspaper business.

One of the most interesting of these was the composing room, where the job of producing type and advertisements, which will later go to the stereotype department, to be molded into "plates" for the presses. The editorial department, where stories are written and edited, was seen.

The presses which print the paper, and the area where the papers go onto the trucks were especially interesting.

Upon leaving, the class was given pictures of sports events to take home. Several of the children had their caricatures drawn by commercial artists. They were delighted to see their resemblances on paper within a few minutes. One young lady inquired about the requirements to become a commercial artist. All the children received pieces of lead type and sample newspaper mat copies.

The field trip helped the pupils to become aware of the skills and jobs required for publishing a newspaper. They now plan to incorporate their skills into a classroom newspaper. Mrs. Smice and Mrs. Liston accompanied the class.

Edison Student Earns Award

Rhonda Bowerman, age nine, a fourth-grade pupil of Mrs. Ann Katsaros, at Thomas Edison School, won a second-place award in the annual Fire Prevention Poster Contest.

Her award-winning poster bore the subtle and catching slogan, "I'm No Match for a Match." The lettering was accented by sparkling blue glitter, giving a professional appearance to her work.

In recognition of her achievement, Rhonda received a silver medal. She was invited to display her poster and her medal to many of the classes in the school. Congratulations were extended by Mr. Harry Aronson, principal, on behalf of the faculty.

Student Teachers

Two State College student teachers are getting first-hand experiences at George Washington School this fall. They are Kathleen O'Hollaren, who is working with sixth-grade teacher Denis O'Leary, and Wayne Duden, who is teaching with Mrs. Conn, also a sixth-grade teacher. They began on September 17 and will be leaving November 9 for more college instruction.

Miss O'Hollaren, who attended Mount San Antonio College before State College, is planning on teaching deaf children. She had been serving on the council for exceptional children at State and has done public recreation work prior to student teaching. She will teach in Tacoma, Washington, next fall, following her marriage this year.

Mr. Duden, a father of three children, is from Florida, where he was a businessman and teacher. He was a teacher-supervisor in a local church school there. Mr. Duden is specializing in speech and intends to teach in the Bay Area.

George Washington Student Body Reps.

George Washington School has organized the student body under the direction of Jim Hough. The representatives have been meeting to make plans for the year. Each class elected the following to represent them on the student council:

Mrs. Rose Aliaga, Room 1—Mike Billarreal, Yolanda Bell.

Mrs. Zoe Conn, Room 2—Mabel Huelse, Dickie Berry.

Mr. Dennis O'Leary, Room 3—Stephen White, Susan Bisordi.

Miss Gail Hultgren, Room 4—Suzanne Liberati, Robert Strickland.

Mrs. Younga Hennessey, Room 5—Sandra Cross, Robert Torre.

Mr. Jim Hough, Room 6—Ken Fonti, Edda Montali.

Mrs. Margaret Clark, Room 7—Susan Kim, Mike Ray.

Mrs. Violet Norsworthy, Room 8—Christine Lucia, Marvin Gonzalez.

Mrs. Leslie Crews, Room 9—Richard Rexroth, Louise Hampton.

Mrs. Marian Livsey, Room 10—Teresa Bantique, Dennis Hiatt.

Miss Robbie Quinlan, Room 11—Jessica Little, David Bronfield.

Mrs. Carole Courshon, Room K — Jeffrey Stoltz, Marvis Hacket.

COLMA K-6 SCHOOL

Adventure and Excitement! This describes the reaction of a fourth grade class to a talk given by Jack Wood, a reporter from the Westlake Times, on Wednesday, October 17.

The class at Colma K-6 School as very enthusiastic as Wood told of his many exciting adventures as a reporter. The highlight of his visit came when he exhibited his flashcamera, and took a picture of the class which he produced for them in ten seconds.

The class, under the guidance of Mrs. Iola McKeown and student teacher, Mrs. Joelle Lawson, is a very active one. At present, it is involved in the writing of their own school newspaper, "Space at Colma," and are busy, curious little reporters themselves. Thus, they benefitted and learned a great deal from Wood. A particularly helpful part of Wood's presentation involved his description of what makes a good newspaper story. He shared many of his techniques with the class.

Pershing School Visits Westlake Firehouse

Mrs. Emma Lockwood and her second grade class visited the Fire Station in Westlake, Tuesday, October 16.

They were accompanied by Mrs. Owen Davis and Mrs. Frank Benjamin. They saw and learned many interesting things about the work of the firemen, and the activities of a fire station.

In 1900 thea population of California was 1,485,053, a little more than half the San Francisco-Oakland urbanized area of 1960 (2,783,359).

Political Science Course At CSM

A new section of the standard course in California state and local government (Political Science 23) is scheduled to begin Wednesday, October 31, at the Evening College of San Mateo. This class, which is offered several times each year, satisfies one of the statutory requirements for work toward a degree at the College of San Mateo or at any other college—two or four-year — in the state.

Offered one evening a week for seven weeks for one unit of credit, the course covers the theory and practice of democratic government in action, with particular emphasis on state and municipal developments in California.

The instructor will be Lewis W. Clark, a principal in the San Bruno Park School District and a teacher of wide experience in political science and related fields. Clark holds both the A.B. and M.A. degrees from Stanford University, and is the author of some ten publications covering various aspects of California life and government, including conservation and the work of the National Park Service in the state.

Registration will take place with the instructor in the classroom at the first meeting of the class on October 31. Meeting place is room 14-A, College of San Mateo, Coyote Point Campus, from 7 to 10 p. m.

For further details, call the Evening College office at DI 2-1421.

Olympia 3rd Graders See Indians At Work

Actually seeing Navajo Indians at work on their crafts, October 12, was one of the highlights of the Olympia third graders in their study of the Southwest Indians. The two Navajos are currently demonstrating their skills at the De-Young Museum for the Window Rock Art Guild, Window Rock, Arizona.

Dressed in their native costumes and wearing the silver and turquoise jewelry for which they are famous, they provided for the children a rich learning experience.

The Navajo woman carded the wool, spun it on a hand-held spindle, and wove it on a loom that she had set up. Also exhibited were the various plants, bark and roots the Indians use to dye their yarn. These beautifully subtle colors of nature were used by the hundreds in finished rugs, saddle blankets and wall hangings that were displayed and were for sale. After seeing for themselves the intricate designs and the amount of work needed to achieve the finished product, the children could really appreciate the skill of these artisans.

Also before their eyes, a Navajo jewelry maker cast for the Olympia third graders a silver buckle. They watched him prepare a sandstone mold, melt pieces of scrap silver with a torch in a crucible and pour it into the mold. With breathless anticipation, they watched him remove the molded buckle from the form and drop it into water to cool it. They saw how cast silver was then smoothed and polished. They also saw some of the hammered silver made. Of course there were hundreds of pieces of silver work of all kinds on display, as were examples of basketry. Some even had the "spirit line" in the design, which, according to old superstition, allowed the evil spirit to leave the basket.

In another part of the museum the children saw other displays of Indian life from all over the United States and Canada. They were particularly interested in the totem poles and beadwork of the Northwest, and baskets of the California Indians.

Mothers accompanying Mrs. Mattson's and Mrs. Lamp's groups were Mrs. Robert Barr, Mrs. Richard Cecconi, Mrs. Theodore Fullam and Mrs. Thomas Ayoob. Miss J. Binder and Mr. T. McCormack, student teachers, also joined the group.

Hillsdale PTA To Hear FD's Specht

Hillside PTA will meet Thursday October 25, at 7:30 p.m., in the multi-purpose room.

Program for the evening will be a film on Fire Prevention followed by a buzz session.

Guest speaker will be battalion chief Frank Specht from the Daly City Fire Dept. Flag ceremonies will be presented by Mrs. Kraus's Girl Scout Troop No. 70.

After the meeting there will be a cake sale. The magazine chairman will take subscriptions to the PTA magazine.

Parents are reminded to please save all discarded cottons and woolen for the big rag drive. The pickup date is November 16.

Poster Award

The Fifth Grade Fire Poster Award was won by Lynn Peterson of Mrs. Elenore Blackman's class at the M. Pauline Brown School.

The poster was picked for its originality and creativity and suggestiveness. Lynn used two rulers and two rules to achieve her objective. Her slogans were "Rule Out Fire" and "Keep America Green."

Battalion Chief Frank Specht made the presentation and stated that this year all the fire prevention posters were especially good.

Swimming Classes For SSF Adults

Swimming classes for adults are being held Wednesday evenings at the South San Francisco Adult School. Interested adults may register in any one of four classes: beginners, advanced beginners, deep water or an 18-hour course in life saving. Instructors are Robert Sexton, Robert Warifield and Don Stupfel.

Information regarding the classes may be obtained by phoning the Adult School, JU 9-6285, or by registering at the Adult School office, 400 "B" street, South San Francisco.

VISTA MAR SCHOOL

The result of group effort to enrich the generalizations in the area of social studies in the unit on California Indians was culminated in a presentation coordinating language arts, crafts research, and curriculum fundamentals.

Mrs. Jeane Oberlander's 4th grade at Vista Mar invited their parents to share and learn some of the large central ideas around which the unit was patterned and made more meaningful.

Skill developments in the 3 R's was not neglected as children read from their research, wrote stories, and explained the construction of things they had made.

Old West Poet To Speak at SF State

A poet and publisher who prints verse and material on the ways of the Old West, Alan Swallow of Denver, will speak to San Francisco State College Lecture Series audience in the Main Auditorium, Wednesday, October 31, at 1 p.m.

Swallow is both a poet who publishes and a publisher who has his own writings published. His most recent book, "The Nameless Sight," was recently read for the Library of Congress collection.

He is a former University of Denver teacher. Under his own name, Alan Swallow, he brings out a series of literary works, and under Sage Books devotes books to all types of information about the American West.

The topic of the Swallow lecture will be "Poetry and Publishing." The public is invited, with no admission being charged.

Reading Improvement Course Given At CSM Night School

Reading Improvement, a course designed to help the average reader increase both the speed and efficiency of his reading, is being offered for the second time this semester by the Evening College of the College of San Mateo, beginning November 6.

The course, which meets from 7 to 9:30 p.m. on Tuesdays and Thursdays for eight weeks, makes use of the latest audio-visual equipment, including the tachistoscope and the controlled reader. Emphasis is placed not merely on increasing speed, but on a parallel increase in compresension and retainment of material read. Much of the research in the field of reading indicates that most adults continue to read all their lives with the skills they learned as children. The Reading Improvement course offers a scientific approach to the development of more sophisticated and more efficient skills. Past classes have shown 60 to 100 per cent improvement in their reading as measured by standard tests.

Elmo Cornelison, a recognized specialist in the field for some twenty years, will be the instructor. Educated at the University of Southern California and at Stanford University, and an officer of the American Society of Training Directors, Cornelison has been charged with the training programs of various large Bay area organizations, including that of the 3000 civilian employees at the Presidio of San Francisco. In all these positions, Cornelison has had demonstrable success with the applications of his ideas in reading improvement.

Interested students should register with the instructor in Room 17-K, Coyote Point Campus, at the first meeting of the class on Tuesday, November 6, at 7 p.m. The usual Evening College $2 registration fee applies.

VISTA MAR SCHOOL

Mrs. Paula Shepard's first grade at Vista Mar School has been studying about Community Helpers. Mrs. Deanna Monasch, a student teacher working with Mrs. Shepard, has invited sergeant David Johnston, a policeman with the Daly City Police Department, to come and talk with the class about a policeman's work and obligations in the community.

Mrs. Jeane Oberlander's fourth grade had an interesting study trip when they went to the Daniel Webster School on October 15. They were able to see on display many of the artifacts brought home by Mrs. Helen Cordell, the district's art coordinator, on her recent trip around the world.

Also, enjoying a study trip to this "world art exhibit" will be Mrs. Angeline Friedman's 4th and 5th grade, Mrs. Susan Burney's 4th, Mrs. Frances Lanthier's and Mrs. Peggy Christgau, 5th.

Address Teachers

The annual field conference of the San Mateo County Teachers' Association will be held on Thursday, November 8, from 4 to 9 p. m. at Mills High School, 400 Murchison drive, Millbrae.

The theme for this year's conference is "The Challenging Sixties." Included in the evening's program will be guest speakers whose varied topics will explore the educational trends of the coming decade.

Keynote speaker will be Jerome R. Waldie, majority leader in the California State Assembly.

Sharp Park PTA To Hear SSF Attorney

The Sharp Park PTA will meet Thursday, October 25, at 8 p. m. in the community room.

Guest speaker will be F. Jose de Larios, South San Francisco attorney, who is also head of the speakers bureau for the American Bar Association of North San Mateo County. He will present a factual talk on "Communism."

Mrs. Norris Anderson, program chairman, will discuss UNICEF — the system that turns "Trick or Treat" into a worthwhile project for the needy.

Refreshments will be served, courtesy of the first grade mothers.

The Magna Carta in 1215 A. D. forced the English King John to agree to trial by jury, due process of law and no taxation without representation.
